## **Item 4 – Advisory Services**

---

### **A. Firm Information**

Sucre-Vail Wealth Advisors (“SVWA” or the “Advisor”) is a registered investment advisor located in the State of Texas, which is organized as a Corporation under the laws of Texas. SVWA was founded in November 1997, and is owned and operated by President and Chief Compliance Officer, Margaret R. Sucre-Vail. This Disclosure Brochure provides information regarding the qualifications, business practices, and the advisory services provided by SVWA.

The Advisor serves as a fiduciary to Clients, as defined under applicable laws and regulations. As a fiduciary, the Advisor upholds a duty of loyalty, fairness and good faith towards each Client and seeks to mitigate potential conflicts of interest. Our fiduciary commitment is further described in our Code of Ethics. For more information regarding our Code of Ethics, please see Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading.

### **B. Advisory Services Offered**

SVWA offers investment advisory services to individuals, high net worth individuals, family offices, trusts, estates, businesses and retirement plans in Texas and other states (each referred to as a “Client”).

#### Investment Management Services

SVWA provides customized investment advisory solutions for its Clients. This is achieved through continuous personal Client contact and interaction while providing discretionary investment management and consulting services. SVWA works with each Client to identify their investment goals and objectives as well as risk tolerance and financial situation in order to create a portfolio strategy. SVWA will then construct a portfolio, consisting of low-cost, diversified mutual funds and/or exchange-traded funds (“ETFs”) to achieve the Client’s investment goals. The Advisor may also utilize individual stocks and bonds to meet the needs of its Clients.

SVWA’s investment strategy is primarily long-term focused, but the Advisor may buy, sell or re-allocate positions that have been held less than one year to meet the objectives of the Client or due to market conditions. SVWA will construct, implement and monitor the portfolio to ensure it meets the goals, objectives, circumstances, and risk tolerance agreed to by the Client. Each Client will have the opportunity to place reasonable restrictions on the types of investments to be held in their respective portfolio, subject to the acceptance by the Advisor.

SVWA evaluates and selects ETFs and mutual funds for inclusion in Client portfolios only after applying their internal due diligence process. SVWA may recommend, on occasion, redistributing investment allocations to diversify the portfolio. SVWA may recommend specific positions to increase sector or asset class weightings. The Advisor may recommend employing cash positions as a possible hedge against market movement. SVWA may recommend selling positions for reasons that include, but are not limited to, harvesting capital gains or losses, business or sector risk exposure to a specific security or class of securities, overvaluation or overweighting of the position[s] in the portfolio, change in risk tolerance of Client, generating cash to meet Client needs, or any risk deemed unacceptable for the Client’s risk tolerance.

SVWA will provide investment advisory services and portfolio management services and will not provide securities custodial or other administrative services. At no time will SVWA accept or maintain custody of a Client’s funds or securities. All Client assets will be managed within their designated account[s], pursuant to the Client investment advisory agreement. For additional information, please see Item 12 – Brokerage Practices and Item 15 - Custody.

#### Managed Account Programs

SVWA may recommend to Clients that all or a portion of their portfolio be implemented by utilizing one or more unaffiliated money managers participating in a managed accounts program at the Client’s Custodian (the “Program Sponsor”). The Client will then enter into a program and investment advisory agreement with the Program Sponsor and the participating money manager[s]. The Advisor will assist and advise the Client in establishing investment objectives for the account, the selection of the money manager[s], and defining any restrictions on the account. SVWA will continue to provide oversight of the Client account[s] and ongoing monitoring of the activities of the unaffiliated money managers.

Phone: (281) 286-9991 \* Fax: (281) 280-0202

[www.sucrevailwa.com](http://www.sucrevailwa.com)

These money managers will develop an investment strategy to meet those objectives by identifying appropriate investments and monitoring such investments. In consideration for such services, the Program Sponsor will charge a program fee that includes the investment advisory fee of the money managers, the administration of the program and trading, clearance and settlement costs. The Program Sponsor will add SVWA's Investment Advisory Fee (described below in Item 5) and will deduct the overall fee from the Client account, generally at the start of each calendar quarter. The asset-based program fee is tiered and varies depending on the size of the account, the asset class of the underlying securities and the sub-advisor selected. The overall fee (including the Advisor's Investment Advisor Fee) will not exceed 3% annually.

**SVWA does not receive any compensation from these unaffiliated money managers or the Program Sponsor, other than SVWA's Investment Advisory Fee (described in Item 5).**

The Client, prior to entering into an agreement with a Program Sponsor, will be provided with the Program Sponsor's Form ADV Part 2A (or a brochure that makes the appropriate disclosures). In addition, SVWA and its Client will agree in writing that that selected Program Sponsor will manage the Client's account on a discretionary basis.

#### Selection of Other Advisors

SVWA may periodically recommend and refer clients to unaffiliated money managers or investment advisors at SVWA's discretion or Client's request. Through this arrangement, the Client will then enter into an advisory agreement with that sub-advisor to which that sub-advisor will assist and advise the Client in establishing investment objectives and develop an investment strategy to meet those objectives by identifying appropriate investments and monitoring such investments. In consideration for such sub-advisor services, the sub-advisor will receive an investment advisory fee, billed based on the fee schedule the Client establishes with the unaffiliated money manager[s] or investment advisor[s].

SVWA will receive a portion of the investment advisory fee for the solicitation and referral of the Client to the sub-advisor, and may assist the Client in completing their Client questionnaire and account opening paperwork. SVWA may also assist in the development of the initial policy recommendations and managing the ongoing Client relationship.

The Client, prior to entering into an agreement with unaffiliated money manager[s] or investment advisor[s], will be provided with the advisor's Form ADV 2A (or a brochure that makes the appropriate disclosures).

#### Financial Planning and Consulting Services

SVWA will typically provide a variety of financial planning services to individuals and families, pursuant to a written financial planning or consulting agreement. Services are offered in several areas of a Client's financial situation, depending on their goals, objectives and financial situation.

Generally, such financial planning services will involve preparing a financial plan or rendering a financial consultation for clients based on the Client's financial goals and objectives. This planning or consulting may encompass one or more areas of need, including, but not limited to investment planning, retirement planning, personal savings, education savings, insurance needs and other areas of a Client's financial situation.

A financial plan developed for or financial consultation rendered to the Client will usually include general recommendations for a course of activity or specific actions to be taken by the Client. For example, recommendations may be made that the Client start or revise their investment programs, commence or alter retirement savings, establish education savings and/or charitable giving programs. SVWA may also refer Clients to an accountant, attorney or other specialist, as appropriate for their unique situation. For certain financial planning engagements, the Advisor will provide a written summary of Client's financial situation, observations, and recommendations. For consulting or ad-hoc engagements, the Advisor may not provide a written summary. Plans or consultations are typically completed within six months of contract date, assuming all information and documents requested are provided promptly.

As of December 31, 2017, SVWA manages \$50,022,001 all of which is managed on a non-discretionary basis. Clients may request more current information at any time by contacting the Advisor.

## **Item 5 – Fees and Compensation**

---

The following paragraphs detail the fee structure and compensation methodology for services provided by the Advisor. Each Client shall sign one or more agreements with the Advisor that detail the responsibilities of SVWA and the Client. Clients may also be required to sign agreements with unaffiliated money managers and/or investment platforms.

### **A. Fees for Advisory Services**

#### Investment Management Services

Investment advisory fees are paid quarterly, at the end of each calendar quarter, pursuant to the terms of the investment advisory agreement. Investment advisory fees are based on the market value of assets under management at the end of the quarter. Investment advisory fees range from 1.15% to 0.55% annually.

[Continued on the next page]

Fees are based on the following schedule:

Assets Under Management	Annual Rate
Up to \$1,000,000	1.10%
Next \$1,500,000	0.85%
Next \$3,000,000	0.75%
Next \$5,000,000	0.55%
Next \$10,000,000	0.45%
Amounts over \$20,000,000	0.35%

The investment advisory fee in the first quarter of service is prorated to the inception date of the account[s] to the end of the first quarter. Fees may be negotiable at the sole discretion of the Advisor. The Client's fees will take into consideration the aggregate assets under management with Advisor. All securities held in accounts managed by SVWA will be independently valued by the Custodian. SVWA will not have the authority or responsibility to value portfolio securities.

#### Managed Accounts Programs

Fees for Clients participating in managed accounts programs will include SVWA's investment advisory fee above, plus the Program Sponsors Fee.

#### Selection of Other Advisors

For Clients referred to an unaffiliated investment advisor, the Client's fee will be deducted from the Client's account[s] with the respective manager and a portion of the investment advisory fee will be provided to SVWA. Please see Item 14 for additional details.

#### Financial Planning and Consulting Services

SVWA offers financial planning or consulting services at an hourly rate of \$200 per hour or on a fixed engagement fee, which may be negotiable depending on the nature and complexity of each Client's circumstances. An estimate for total hours and/or costs will be determined prior to engaging for these services.

### **B. Fee Billing**

#### Investment Management Services

Investment advisory fees will be calculated by the Advisor or its delegate and deducted from the Client's account[s] at the Custodian. The Advisor or its delegate shall send an invoice to the Custodian indicating the amount of the fees to be deducted from the Client's account[s] at the respective quarter-end date. The amount due is calculated by applying the quarterly rate (annual rate divided by 4) to the total assets under management with SVWA at the end of each quarter. Clients will be provided with a statement, at least quarterly, from the Custodian reflecting deduction of the investment advisory fee. In addition, the Advisor will provide the Client a report itemizing the fee, including the calculation period covered by the fee, the account value and the methodology used to calculate the fee. It is the responsibility of the Client to verify the accuracy of these fees as listed on the custodian's brokerage statement as the Custodian does not assume this responsibility. Clients provide written authorization permitting SVWA to be paid directly from their accounts held by the Custodian as part of the investment advisory agreement and separate account forms provided by the Custodian.

#### Financial Planning and Consulting Services

Financial planning and consulting fee are invoiced by the Advisor upon completion of the engagement deliverable[s]. Invoices are due upon receipt.

### **C. Other Fees and Expenses**

Clients may incur certain fees or charges imposed by third parties, other than SVWA, in connection with investment made on behalf of the Client's account[s]. The Client is responsible for all custody and securities execution fees charged by the custodian and executing broker-dealer. The investment advisory fee charged by SVWA is separate and distinct from these custody and execution fees.

In addition, all fees paid to SVWA for investment advisory services are separate and distinct from the expenses charged by mutual funds and ETFs to their shareholders, if applicable. These fees and expenses are described in each fund's prospectus. These fees and expenses will generally be used to pay management fees for the funds, other fund expenses, account administration (e.g., custody, brokerage and account reporting), and a possible distribution fee. A Client may be able to invest in these products directly, without the services of SVWA, but would not receive the services provided by SVWA which are designed, among other things, to assist the Client in determining which products or services are most appropriate to each Client's financial situation and objectives. Accordingly, the Client should review both the fees charged by the fund[s] and the fees charged by SVWA to fully understand the total fees to be paid.

#### **D. Advance Payment of Fees and Termination**

##### Investment Management Services

SVWA is compensated for its investment management services at the end of the quarter, after investment advisory services are rendered. Either party may terminate the investment advisory agreement with SVWA, at any time, by providing advance written notice to the other party. The Client may also terminate the investment agreement within five (5) business days of signing the Advisor's agreement at no cost to the Client. After the five-day period, the Client will incur charges for bona fide advisory services rendered to the point of termination and such fees will be due and payable by the Client. The Client shall be responsible for investment advisory fees up to and including the effective date of termination. The Client's investment advisory agreement with the Advisor is non-transferable without the Client's prior consent.

##### Unaffiliated Money Management

In the event that a Client should wish to terminate their relationship with a managed accounts program or unaffiliated investment advisor, the terms for termination will be set forth in the respective agreements between the Client and those third parties. SVWA will assist the Client with the termination and transition as appropriate.

##### Financial Planning and Consulting Services

SVWA is compensated for its financial planning services upon completion of the engagement deliverable[s]. Either party may terminate a planning or consulting agreement at any time by providing written notice to the other party. Upon termination, the Client shall be billed for actual hours logged on the planning project times the agreed-upon hourly rate. In addition, the Client may also terminate the agreement within five (5) days of signing the Advisor's financial planning or consulting agreement at no cost to the Client. After the five-day period, the Client will incur charges for bona fide advisory services rendered to the point of termination and such fees will be due and payable by the Client. The Client's financial planning agreement with the Advisor is non-transferable without the Client's prior consent.

#### **E. Compensation for Sales of Securities**

SVWA does not buy or sell securities and does not receive any compensation for securities transactions in any Client account, other than the investment advisory fees noted above.

#### **Item 6 – Performance-Based Fees and Side-By-Side Management**

---

SVWA does not charge performance-based fees for its investment advisory services. The fees charged by SVWA are as described in Item 5 – Fees and Compensation above and are not based upon the capital appreciation of the funds or securities held by any Client.

SVWA does not manage any proprietary investment funds or limited partnerships (for example, a mutual fund or a hedge fund) and has no financial incentive to recommend any particular investment options to its Clients.

#### **Item 7 – Types of Clients**

---

SVWA offers investment advisory services to individuals, high net worth individuals, family offices, trusts, estates, businesses and retirement plans. The amount of each type of Client is available on SVWA's Form ADV Part 1. These amounts may change over time and are updated at least annually by the Advisor. SVWA generally

requires a minimum relationship size of \$250,000. However, this may be waived at the discretion of the Advisor. Unaffiliated money managers may also impose a minimum account size.

## **Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss**

---

### **A. Methods of Analysis**

SVWA primarily employs fundamental analysis methods in developing investment strategies for its Clients. Research and analysis from SVWA is derived from numerous sources, including financial media companies, third-party research materials, Internet sources, and review of company activities, including annual reports, prospectuses, press releases and research prepared by others.

Fundamental analysis utilizes economic and business indicators as investment selection criteria. These criteria are generally ratios and trends that may indicate the overall strength and financial viability of the entity being analyzed. Assets are deemed suitable if they meet certain criteria to indicate that they are a strong investment with a value discounted by the market. While this type of analysis helps the Advisor in evaluating a potential investment, it does not guarantee that the investment will increase in value. Assets meeting the investment criteria utilized in the fundamental analysis may lose value and may have negative investment performance. The Advisor monitors these economic indicators to determine if adjustments to strategic allocations are appropriate.

As noted above, SVWA generally employs a long-term investment strategy for its Clients, as consistent with their financial goals. SVWA will typically hold all or a portion of a security for more than a year, but may hold for shorter periods for the purpose of rebalancing a portfolio or meeting the cash needs of Clients. At times, SVWA may also buy and sell positions that are more short-term in nature, depending on the goals of the Client and/or the fundamentals of the security, sector or asset class.

### **B. Risk of Loss**

Investing in securities involves certain investment risks. Securities may fluctuate in value or lose value. Clients should be prepared to bear the potential risk of loss. SVWA will assist Clients in determining an appropriate strategy based on their tolerance for risk and other factors noted above. However, there is no guarantee that a Client will meet their investment goals.

Each Client engagement will entail a review of the Client's investment goals, financial situation, time horizon, tolerance for risk and other factors to develop an appropriate strategy for managing a Client's account. Client participation in this process, including full and accurate disclosure of requested information, is essential for the analysis of a Client's account. The Advisor shall rely on the financial and other information provided by the Client or their designees without the duty or obligation to validate the accuracy and completeness of the provided information. It is the responsibility of the Client to inform the Advisor of any changes in financial condition, goals or other factors that may affect this analysis.

The risks associated with a particular strategy are provided to each Client in advance of investing Client accounts. The Advisor will work with each Client to determine their tolerance for risk as part of the portfolio construction process. The following are some of the investment risks to consider:

#### Market Risks

The value of a Client's holdings may fluctuate in response to events specific to companies or markets, as well as economic, political, or social events in the U.S. and abroad. This risk is linked to the performance of the overall financial markets.

#### Mutual Fund Risks

The performance of mutual funds is subject to market risk, including the possible loss of principal. The price of the mutual funds will fluctuate with the value of the underlying securities that make up the funds. The price of a mutual fund is typically set daily therefore a mutual fund purchased at one point in the day will typically have the same price as a mutual fund purchased later that same day.

**Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Client should understand and be willing to bear. Clients are reminded to discuss these risks with the Advisor.**

## **Item 9 – Disciplinary Information**

---

**There are no legal, regulatory or disciplinary events involving SVWA or its Supervised Persons.** SVWA and its Advisory Persons value the trust you place in us. As we advise all Clients, we encourage you to perform the requisite due diligence on any advisor or service provider in which you partner. Our backgrounds are on the Investment Adviser Public Disclosure website at [www.adviserinfo.sec.gov](http://www.adviserinfo.sec.gov) and may be found by searching with our firm name or our CRD# 114679.

## **Item 10 – Other Financial Industry Activities and Affiliations**

---

### Insurance Agency Affiliations

Advisory Persons of SVWA are also licensed insurance professionals. Implementations of insurance recommendations are separate and apart from an Advisory Person's role with SVWA. As an insurance agent, an Advisory Person may receive customary commissions and other related revenues from the various insurance companies whose products are sold. Commissions generated by insurance sales do not offset regular advisory fees. This may cause a conflict of interest in recommending certain products of the insurance companies. Clients are under no obligation to implement any recommendations made by the Advisor or its Advisory Persons.

## **Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading**

---

### **A. Code of Ethics**

SVWA has implemented a Code of Ethics that defines our fiduciary commitment to each Client. This Code of Ethics applies to all persons associated with SVWA (our "Supervised Persons"). The Code of Ethics was developed to provide general ethical guidelines and specific instructions regarding our duties to you, our Client. SVWA and its Supervised Persons owe a duty of loyalty, fairness and good faith towards each Client. It is the obligation of SVWA Supervised Persons to adhere not only to the specific provisions of the Code, but also to the general principles that guide the Code. The Code of Ethics covers a range of topics that may address employee ethics and conflicts of interest. To request a copy of our Code of Ethics, please contact us at (281) 286-9991 or via email at [info@sucrevailwa.com](mailto:info@sucrevailwa.com).

### **B. Personal Trading with Material Interest**

SVWA allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. SVWA does not act as principal in any transactions. In addition, the Advisor does not act as the general partner of a fund, or advise an investment company. SVWA does not have a material interest in any securities traded in Client accounts.

### **C. Personal Trading in Same Securities as Clients**

SVWA allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. Owning the same securities we recommend (purchase or sell) to you presents a potential conflict of interest that, as fiduciaries, we must disclose to you and mitigate through policies and procedures. As noted above, we have adopted a Code of Ethics, which addresses insider trading (material non-public information controls) and personal securities reporting procedures. When trading for personal accounts, Supervised Persons of SVWA may have a conflict of interest if trading in the same securities. The fiduciary duty to act in the best interest of its Clients can potentially be violated if personal trades are made with more advantageous terms than Client trades, or by trading based on material non-public information. This risk is mitigated by SVWA requiring reporting of personal securities trades by its Supervised Persons for review by the Chief Compliance Officer.

We have also adopted written policies and procedures to detect the misuse of material, non-public information. We may have an interest or position in certain securities, which may also be recommended to you.

In addition, the Code of Ethics governs Gifts and Entertainment given by and provided to the Advisor, outside employment activities of employees, Employee reporting, sanctions for violations of the Code of Ethics, and records retention requirements for various aspects of the Code of Ethics.

#### **D. Personal Trading at Same Time as Client**

While SVWA allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients, such trades are typically aggregated with Client orders or traded afterwards. **At no time, will SVWA or any Supervised Person of SVWA, transact in any security to the detriment of any Client.**

### **Item 12 – Brokerage Practices**

---

#### **A. Recommendation of Custodian[s]**

SVWA does not have discretionary authority to select the broker-dealer/custodian for custody and execution services. The Client will engage the broker-dealer/custodian (herein the "Custodian") to safeguard Client assets and authorize SVWA to direct trades to the Custodian as agreed in the investment advisory agreement. Further, SVWA does not have the discretionary authority to negotiate commissions on behalf of our Clients on a trade-by-trade basis.

Where SVWA does not exercise discretion over the selection of the Custodian, it may recommend the Custodian to Clients for custody and execution services. Clients are not obligated to use the Custodian recommended by SVWA and will not incur any extra fee or cost associated with using a Custodian not recommended by SVWA. SVWA may recommend the Custodian based on criteria such as, but not limited to, reasonableness of commissions charged to the Client, services made available to the Client, and/or its reputation. SVWA does not receive research services, other products, or compensation as a result of recommending a particular broker that may result in the Client paying higher commissions than those obtainable through other broker-dealers/custodians. SVWA will generally recommend that Clients establish their account[s] at SEI Private Trust Company, a subsidiary of SEI Investments Company ("SPTC"). SVWA maintains an institutional relationship with SPTC whereby the Advisor receives certain benefits from SPTC. Please see Item 14 below.

Following are additional details regarding the brokerage practices of the Advisor:

**1. Soft Dollars** - Soft dollars are revenue programs offered by broker-dealers whereby an advisor enters into an agreement to place security trades with the broker-dealer/custodian in exchange for research and other services. **SVWA does not participate in soft dollar programs sponsored or offered by any broker-dealer/custodian. Please see Item 14 below.**

**2. Brokerage Referrals** - SVWA does not receive any compensation from any third party in connection with the recommendation for establishing an account.

**3. Directed Brokerage** - All Clients are serviced on a "directed brokerage basis", where SVWA will place trades within the established account[s] at the Custodian designated by the Client. Further, all Client accounts are traded within their respective brokerage account[s] at the Custodian. The Advisor will not engage in any principal transactions (i.e., trade of any security from or to the Advisor's own account) or cross transactions with other Client accounts (i.e., purchase of a security into one Client account from another Client's account[s]). SVWA will not be obligated to select competitive bids on securities transactions and does not have an obligation to seek the lowest available transaction costs. These costs are determined by the Custodian.

#### **B. Aggregating and Allocating Trades**

The Advisor generally does not block or aggregate trades. SVWA will execute its transactions through the Custodian as directed by the Client. SVWA may aggregate orders in a block trade or trades when securities are purchased or sold through the same Custodian for multiple (discretionary) accounts. If a block trade cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business

day must be allocated in a manner that is consistent with the initial pre-allocation or other written statement. This must be done in a way that does not consistently advantage or disadvantage particular Client accounts.

## **Item 13 – Review of Accounts**

---

### **A. Frequency of Reviews**

Investment in Client accounts are monitored on a regular and continuous basis by Ms. Sucre-Vail, President and Chief Compliance Officer of SVWA. Formal reviews are generally conducted at least annually or more or less frequently depending on the needs of the Client.

### **B. Causes for Reviews**

In addition to the investment monitoring noted in Item 13.A. above, each Client account shall be reviewed at least annually. Reviews may be conducted more or less frequently at the Client's request. Accounts may be reviewed as a result of major changes in economic conditions, known changes in the Client's financial situation, and/or large deposits or withdrawals in the Client's account[s]. The Client is encouraged to notify SVWA if changes occur in his/her personal financial situation that might adversely affect his/her investment plan. Additional reviews may be triggered by material market, economic or political events.

### **C. Review Reports**

The Client will receive brokerage statements no less than quarterly from the Custodian. These brokerage statements are sent directly from the Custodian to the Client. The Client may also establish electronic access to the Custodian's website so that the Client may view these reports and their account activity. Client brokerage statements will include all positions, transactions and fees relating to the Client's account[s]. The Advisor may also provide Clients with periodic reports regarding their holdings, allocations, and performance.

## **Item 14 – Client Referrals and Other Compensation**

---

### **A. Compensation Received by SVWA**

#### Insurance Agency Affiliations

Advisory Persons may serve as sales agent for various insurance companies. As an insurance agent, an Advisory Person may receive customary commissions and other related revenues from the various insurance companies whose products are sold. See Item 10 – Other Financial Industry Activities and Affiliations.

#### Participation in Institutional Advisor Platform

SVWA has established an institutional relationship with SPTC to assist the Advisor in managing Client account[s]. Access to the Custodian's Institutional platform is provided at no charge to the Advisor. The Advisor receives access to software and related support without cost because the Advisor renders investment management services to Clients that maintain assets at those custodians. The software and related systems support may benefit the Advisor, but not its Clients directly. In fulfilling its duties to its Clients, the Advisor endeavors at all times to put the interests of its Clients first. Clients should be aware, however, that the receipt of economic benefits from a Custodian creates a potential conflict of interest since these benefits may influence the Advisor's recommendation of this custodian over one that does not furnish similar software, systems support, or services.

Additionally, the Advisor may receive the following benefits from SPTC: receipt of duplicate Client confirmations and bundled duplicate statements; access to a trading desk that exclusively services its institutional participants; access to block trading which provides the ability to aggregate securities transactions and then allocate the appropriate shares to Client accounts; and access to an electronic communication network for Client order entry and account information.

### **B. Client Referrals from Solicitors**

SVWA does not engage paid solicitors for Client referrals.

### **Item 16 – Investment Discretion**

---

SVWA generally has discretion over the selection and amount of securities to be bought or sold in Client accounts without obtaining prior consent or approval from the Client. However, these purchases or sales may be subject to specified investment objectives, guidelines, or limitations previously set forth by the Client and agreed to by SVWA. Discretionary authority will only be authorized upon full disclosure to the Client. The granting of such authority will be evidenced by the Client's execution of an investment advisory agreement containing all applicable limitations to such authority. All discretionary trades made by SVWA will be in accordance with each Client's investment objectives and goals.

---

### **Item 17 – Voting Client Securities**

---

SVWA does not accept proxy-voting responsibility for any Client. Clients will receive proxy statements directly from the Custodian. The Advisor will assist in answering questions relating to proxies, however, the Client retains the sole responsibility for proxy decisions and voting.

---

### **Item 18 – Financial Information**

Neither SVWA, nor its management has any adverse financial situations that would reasonably impair the ability of SVWA to meet all obligations to its Clients.
