

DIVERSIFY YOUR INCOME.

Guaranteed pensions don't exist like in the past.

Peak Income 360 seeks to replace that pension by adding multiple passive retirement income streams.

INCOME 360 FORMULA

+ Add 10% to your 401k

+ Buy \$1 million of rental real estate
(Using leverage)

+ Pay off your mortgage

+ Add in a guaranteed income stream
(Such as annuity)

Portfolio:	Add 10% to your 401k, manage your risk, and also consider tax-free income from municipal bonds.
Real Estate:	We know a million sounds like a tall task, but we can show you the way!
Consulting:	Put your skills to work for a few hours per week for a high hourly rate.
Annuities:	Consider shifting a portion of your portfolio from high-risk to low risk with a guaranteed income stream.
No Debt:	Not having a mortgage is as good as an extra income stream. Consider paying it off!
Social Security:	Taking advantage of the deferral credits can make a huge difference.
