DTF-80

Statement of Transaction — Sale or Gift of Motor Vehicle, Trailer, All-Terrain Vehicle (ATV), Vessel (Boat), or Snowmobile

Instructions

This is a New York State sales tax return. The new owner's social security number, taxpayer identification number (TIN), or federal employer identification number (EIN) is required.

Use this form to report the purchase of a vehicle or boat when sales tax was not collected at the time of purchase or when the vehicle or boat was received as a gift. If the donor/seller is not required to complete Section 6, the new owner must have a copy of the bill of sale signed by the seller.

The seller or donor must complete Section 6 if:

- the motor vehicle is a gift to a person other than a spouse, parent, child, stepparent, or stepchild
- the motor vehicle is sold below fair market value to a person other than a spouse, parent, child, stepparent, or stepchild
- the trailer, ATV, boat, or snowmobile is a gift
- the trailer, ATV, boat, or snowmobile is sold below fair market value

If for any reason you must obtain a registration or title before you can establish the amount of tax due based on the less than fair market value purchase price, you may obtain tax clearance by paying the tax due based on the fair market value as established by the Tax Department. If this results in an overpayment, you may apply to the Tax Department for a refund or credit of the amount overpaid.

Submit the completed form to your local motor vehicle issuing office.

Note

- If you are claiming an exemption other than a gift, use Form DTF-803 instead.
- If you are claiming credit for taxes paid to another state, use Form DTF-804 instead.
- If you are registering more than one motor vehicle for the same taxing jurisdiction, use Form DTF-805 instead.

If you need information or forms, go to our Web site at www.tax.ny.gov. Forms are also available by calling (518) 457-5431.
