There is no guarantee that the REIT will achieve its objectives, generate profits or avoid losses.

This is neither an offer to sell nor a solicitation of an offer to buy Resource Real Estate Opportunity REIT II; offering is only made by prospectus. This information must be preceded or accompanied by a prospectus in order to understand fully all of the implications and risks of the offering. To obtain a copy of the prospectus, [click here](#). Investing in Resource Real Estate Opportunity REIT II includes significant risks. These risks include, but are not limited to, the following: lack of a public market; arbitrary offering price; limited operating history; reliance on the advisor to select and manage assets; payment of substantial fees to our advisor and its affiliates; conflicts of interest facing our officers and directors; lack of diversification; limited liquidity and transferability; and distributions may be paid from any source including offering proceeds. Shares of Resource Real Estate Opportunity REIT II are not suitable for all investors. Neither the attorney general of the state of New York nor any other state regulators have passed on or endorsed the merits of this offering. Any representation to the contrary is unlawful. To read more about the Opportunity REIT II's risk factors, [click here](#). The shares of the Resource Real Estate Opportunity REIT II are offered through Resource Securities, Inc., an affiliate of the advisor and member — FINRA, SIPC.
