EDUCATION BACKGROUND & BUSINESS EXPERIENCE

Richard Keith Locke is a former practicing CPA. He formed his first Registered Investment Advisory firm in 1988 under the name of RK Locke & Co. for the purpose of providing investment and retirement planning advice. These services were provided on an hourly fee basis. In 1998 Mr. Locke formed Intrepid Financial Planning Group, LLC (IFPG) for the purpose to manage client assets on a fee basis, calculated as a percentage of assets managed. Mr. Locke has served as the Lead Portfolio Manager of IFPG since its formation.

Mr. Locke also has prior experience in the investment industry as a registered representative and Office of Supervisory Jurisdiction (supervising other registered representatives). These positions allowed Mr. Locke to collect commissions on investment product sales unrelated to IFPG by working with a third party broker-dealer firm, independent of IFPG. In 2006 Mr. Locke resigned from his last registered representative relationship (Morris Group of Indianapolis, Indiana). Accordingly, Mr. Locke no longer provides any investment products on a commission basis. His sole investment related compensation is from fees in connection with IFPG.

Mr. Locke was born in Gary, Indiana in 1946. Upon the conclusion of four years of military service Mr. Locke attended and graduated from Indiana University (Northwest Indiana campus). In 1973 he received a Bachelor of Science degree in accounting.
