

In operating a successful Tax Practice for many years... you can now aid others in removing stress of tax filings by introducing to them this offer to others as a gift.

Here is a sample of how you may offer this: “This is my client offer.” Please use the cut and paste features to replace “text in red below as well as the above text” with your firm words or slogan.

The future is coming... Prepare for it! We must not forget about decision today. For today's choices will determine the success of, the length of, and the consequences of our tomorrow. *The Harrington Group* was especially formed to help guide people through difficult choices... when all they may see are barriers for making better choices which will impact their future.

To begin now by following procedures below.

- Select “[Key to successful Tax Filing](#)” (Is to Plan and gather information to document... and to verify what tax deductible items are available that you qualify for as deductions.)
- Select “[Tax filing – Stress-Free!](#)” (An opportunity to file your taxes *both Innovative and Relevant* in a secure and safe environment, at a pace that meets your wishes.)

Select to see “[How It Works](#)”. When you are ready to file, [start here](#) to see features and benefits that awaits you... now and for the future. Additionally, it offers Tax Newsletters to keep you abreast of Lawmakers thinking, expected changes as well as methods to reduce your tax burden.

- (You may press “F11” to obtain a full screen, and *do not forget to press “F11”* after leaving this program.)
- Select the option “**Learn More**” to see other resources.

Verify the information through your “due diligence” and procedures. You may offer this to everyone who must file taxes. It is a great offer!

By starting now, you can pre-plan your personal slogan of this offer to others.
