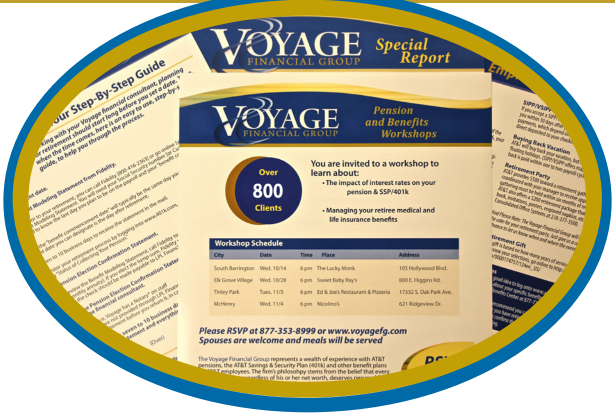
Outstanding Customer Service



At the Voyage Financial Group, the positive feedback we receive from clients about the service we provide to them is rewarding in and of itself.

But, there are also several significant professional benchmarks Voyage has achieved since opening our doors in 2006 that serve to validate that our service to clients is exemplary.

The first accolade we received, after just two years, was Chicago magazine naming Voyage as one of its top 50 financial advisors.*

Our Values

- *Treating clients the way we want to be treated.*
- *Seeking and recommending suitable strategies, regardless of whether or not it includes products and services we offer.*
- *Working to be on the leading edge of financial expertise and technology.*
- *Being compassionate, fair, and having genuine concern for our clients' well-being.*

In making its selection, the magazine noted:

"Our 50 winners are models of what a financial adviser should be, adhering to high ethical standards and employing the industry's 'best practices.' They offer objective advice and 'open architecture' platforms, with access to a wide range of financial products and services, not just those of their own firms or a few outside companies."

Members of the Voyage team have also been recognized by LPL Financial for "Outstanding Client Service." Most recent;ly, Mike Chong and Tom Royce have both earned this distincition in 2015 and 2016 as members of LPL's Chairman's Council.

LPL is a leader in the financial advice market, providing Voyage with proprietary technology, comprehensive clearing and compliance services, management programs and training, and indiependent research.

Other honors include Voyage financial consultants being named Five Star Wealth Managers. Tom Royce and Mike Chong earned this distiniction every year from 2012-2016, and Ryan Dragstrem in 2016. The award is based on 10 objective criteria associated with providing quality services to clients such as credentials, experience, and assets under management, among other factors. Wealth managers do not pay a fee to be considered or to be placed on the final list of Five Star Wealth Managers.

We appreciate the accolades, but our true measure of success is client satisfaction and the feedback we receive when we meet or exceed their expectations.

** The Top 50 Financial Advisors distinction was awarded in 2008 and is based on sevceral factors including nominations from security firms, internal compliance records, client retention dates, assets under management revenue produced and years of experience. ** This achievement is based on annual production among LPL Advisors only.*
