**MICHAEL PRUITT OF MBE WEALTH MANAGEMENT, LLC EARNS
RETIREMENT INCOME CERTIFIED PROFESSIONAL® (RICP®) DESIGNATION**

Sun Prairie, WI, July 10, 2017 – Michael Pruitt, an advisor with MBE Wealth Management LLC, has earned the Retirement Income Certified Professional® (RICP®) designation from the American College of Financial Services, Bryn Mawr, PA..

Candidates for the RICP® designation must complete a minimum of three college-level courses and are required to pass a series of two-hour proctored exams. They must also have three years of experience, meet stringent ethics requirements, and participate in The College’s continuing education program.

The RICP® educational curricula is the most complete and comprehensive program available to professional financial advisors looking to help their clients create sustainable retirement income. The rigorous three-course credential helps advisors master retirement income planning, a key focus area not fully covered in other professional designation programs. Using the most current techniques, RICP®’s identify retirement income needs and objectives and evaluate a client’s current situation relative to those goals. Individuals who earn a RICP® can provide expert advice on a broad range of retirement topics including income needs and objectives, estate issues and other risks to the retirement income plan, Social Security, health insurance and housing decisions, and income taxation.

Along with the recently achieved RICP designation, Mr. Pruitt holds the designation of Certified Financial Planner® (CFP®) and has been helping clients pursue their financial goals for over 10 years. “I am proud to add the RICP designation to my professional credentials”, said Pruitt. “I believe the designation is important because it helps clients understand they are working with a knowledgeable, experienced advisor who conducts business with a high level of integrity and has an in-depth understanding of the challenges unique to retirees.”
