INDUSTRY EXPERIENCE, RESPONSIVE TO YOUR NEEDS

Peter E. Ledebuhr, Managing Principal, CFP®

Since 2000, Pete Ledebuhr has been helping individual families plan and invest for the future. As a CERTIFIED FINANCIAL PLANNER™ practitioner, he understands the broad picture of wealth management and behavioral finance, and the importance that perspective plays in developing a patient, disciplined investment strategy.

Pete founded Ledebuhr Wealth Management in 2009 to provide clients with a balanced, objective approach to investing and retirement planning that he believed was not available through larger, more traditional financial organizations.

Prior to opening his firm, Pete was a vice president and financial advisor at two national brokerage firms over 10 years. He is a graduate of Eastern Illinois University with a Bachelors Degree in Business Finance, has earned his Series 7, 24 and 66 registrations held through LPL Financial, and has insurance licenses in life and health, and long-term care.

A Client-Centric Planning Process Built on Communication

Our five-step method has been designed with you in mind, to reflect your priorities and unique life circumstances:

Discover

By completing a confidential personal profile, you enable us to gain a better understanding of your needs.

Evaluate

Once we make a detailed analysis of your finances, we then determine how to establish suitable long-term financial goals.

Prepare

We develop a selection of appropriate strategies and offer recommendations as to which are best suited for you.

Implement

After careful consideration, you agree upon the best approach to take and we put your personalized plan into action.

Monitor

We maintain consistent communication with you as we carefully observe your portfolio and make any needed adjustments.
