

**Harris Financial Services, Inc.**

---

940 Spokane Avenue, Suite 1  
Whitefish, MT 59937

Dear clients and friends,

As always, we hope this message finds you happy and healthy! As difficult as 2020 has been, we are continually thankful that you allow us to be part of your lives and to walk through it alongside you. We are reaching out today with a quick update of our office policies around COVID-19.

On July 14<sup>th</sup>, the Whitefish City Council [voted unanimously](#) to require the use of face masks for employees, customers, and visitors to all businesses in Whitefish. While some people may see this as a controversial topic, we are always in favor of actions that protect our clients and our team. **Accordingly, Harris Financial will now require face masks for all face-to-face interactions between clients and employees.** We are currently working on procuring disposable masks for visitors and hope to have those available soon.

As we have in the past, we encourage you consider the following:

- If you have questions that could be answered by phone or video conference, consider scheduling one of those rather than an in-person meeting.
- If you would like to visit our office, please contact us in advance so we can be prepared for your visit. Harris Financial sanitizes our conference room and other common area surfaces before and after every scheduled visit.
- Regularly wash your hands and avoid physical contact with others wherever possible (as much as we want to hug you and shake your hand, we will do our best to do the same).

Thank you for taking basic precautions to keep yourself and our team safe. If you have any questions, please feel free to contact us by phone (406-862-4400) or email. Stay healthy, friends!

Regards,

Evan, Rex, and Violet
