

Hi Ryan,

How are you doing? Once again, thank you for your ongoing, extremely generous, financial support of my (awesome) high school education at Arlington Catholic. As I've expressed before, I fully enjoy every day at AC, from the classes, teachers, friends, clubs, sports, and so much more! My mom and I are, of course, forever grateful that you, an alumnus of AC, are enabling me to share in this amazing experience of strengthening my mind, body, and spirit. Thanks to you, I can earn the tools to work toward having a bright future and a memorable high school career. Both academically and athletically, I am doing great so far, and I love the feeling of community ... whether walking down the halls, going on a club field trip, going to church or Campus Ministry group, or playing sports with my friends. Someday, I hope to be able to repay this priceless gift and treasure you've chosen to "pass forward" to us!

Please say hi to Kennedy, Amanda, and Teddy! We've included a fun family cooking magazine, ChopChop, which I have subscribed to over the years. Additionally, I am listed on the back page as a member of the Kids Advisory Board (KAB).

We hope to see you all again soon!

Until then, I will keep you updated on all my Cougar news! :)

Sincerely with much thanks,

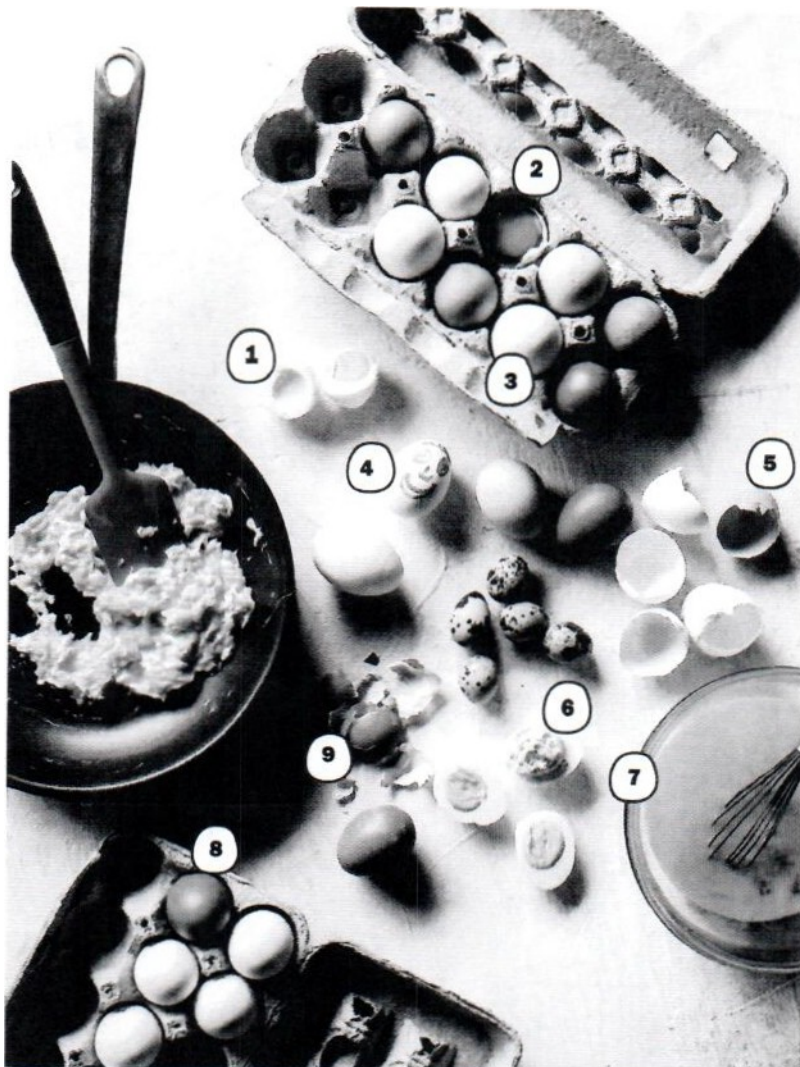

Liana
