

Guidant Wealth Advisors has some exciting news to share!

We'd like to introduce our newest Certified Financial Planner; Klaudia Gryfik! The CFP® designation is reserved for individuals who have met the rigorous experience and ethical requirements of the CFP Board, have successfully completed financial planning coursework, and have passed the CFP® Certification Examination.

Klaudia graduated from the University of Florida with a Bachelor of Science in Business Administration, Finance, and joined our team in 2015. We are delighted that Klaudia put forth the hard work and effort and passed this challenging exam, and we are very proud of her accomplishment which will further her as she assists Frank and Tony in providing our clients with a continuing standard of excellence.
