Item 4: Other Business Activities (only include #2 if it is applicable to you)

a) The IAR is engaged in the following **investment-related** business activities:

1. David Hansch is a Registered Representative (RR) of IFG, a registered broker/dealer and member of the Financial Industry Regulatory Authority ("FINRA"). RR is licensed to sell securities and securities-related products through IFG and receives transaction-based commissions. This creates an inherent conflict of interest when working with clients to either provide commission-based products as a RR or advisory based products as an IAR. Please note that you are under no obligation to purchase or sell commission-based products through David Hansch. If you elect to open a commission-based account through IFG, disclosure will be made regarding the nature of the relationship, services offered, and compensation received at the time the account is established.
2. David Hansch is licensed as an insurance agent and offers fixed and variable life insurance products for commission-based compensation. As an agent David Hansch also receives other compensation such as - fixed or variable life renewals from insurance carriers. Being an agent of an insurance company inherently causes a conflict of interest. As an agent, David Hansch represents the insurance company, which precludes David Hansch from being a fiduciary to you in that transaction. It is important when selecting between available commission-based products or advisory based products to ask how David Hansch will be compensated for that insurance product/transaction. When acting as an IAR David Hansch has an inherent fiduciary obligation to serve your best

interest. Please note that you are under no obligation to purchase insurance products through David Hansch. If you elect to purchase insurance through David Hansch, at or before the time of the transaction, disclosures are made regarding the nature of the relationship, services offered, and compensation received.

Item 5: Additional Compensation

At times, an IAR will receive non-cash compensation from product sponsors as permitted by industry rules. For example, product sponsors may reimburse up to 100% of the cost of due diligence, training, and education/joint marketing meetings. In addition, product sponsors may invite an IAR to attend seminars, conferences and/or entertainment events at little or no cost.

An IAR of IFG may also receive compensation for referring a client to another Registered Investment Adviser for account management. The RIA may pay a fee for the referral (solicitation fee). In certain cases, the IAR will serve as the RR on the assets managed by the third-party RIA. In this instance, the IAR will receive compensation (e.g., commissions, 12b-1 fees, trails) for the purchase of the investments in addition to the referral fee paid by the third-party advisor.

Item 6: Supervision

David Hansch is supervised by Kate Hanhauser, who can be reached at 858-436-3180. IFG is responsible for having processes in place to review New Account Forms and other applicable account-related documentation at the opening of an advisory account, monitoring and reviewing email and conducting trading oversight using trade blotters and other reports. The supervisor also reviews inspection reports of the IAR's business practices. IFG's Compliance Department -will monitor if IAR is adhering to IFG's Code of Ethics.
