## What does it mean for you?

**Financial planning is about more than assets, investments and net worth.** It's about what you want to do with your money and why. It's about identifying your concerns, expectations and goals – it's about how you feel and what you want.

**MoneyGuidePro® helps address common fears and concerns** such as health care costs, outliving your money and the best time to file for Social Security benefits. The confidence meter helps you gauge how likely you are to reach your goals and whether you are on track instead of focusing on headlines.
