## **Remember on Memorial Day!**

It has been quite a year since last Memorial Day! As we celebrate Memorial Day 2017, let us truly remember:

Memorial Day should be dedicated to reflecting upon those who have kept us from harm throughout history.

Many men and women have lost their lives while keeping this great nation safe. It is a great sacrifice to enter the armed forces and fight for our freedoms.

These men and women assume the responsibility of giving their life for others. To be willing to lay your life down in defense of your country shows a greater love of this nation.

We as citizens should never take these soldiers for granted. This Memorial Day, please hold these brave men and women in loving memory.

*Have a safe and happy  
Memorial Day  
Weekend!*
