

With most major equity indices firmly in the negative, investor anxiety is at levels not seen in some time. In this environment, it is very easy to focus on the short-term and not keep a long-term perspective.

The attached [commentary](#) discusses the recent market volatility, what is causing it, the historical context of market pullbacks, and how to invest.

Feel free to reach out to me at 972-702-6080 or Woody@ls-ws.com if you have any questions.

Regards,

From the desk of Woody Levinson
