Date: 3/9/2023

## Item 1: Introduction

THE FAMILY FIRM, INC. is an investment adviser registered with the Securities and Exchange Commission offering advisory accounts and services. This document gives you a summary of the types of services and fees we offer. Please visit [www.investor.gov/CRS](http://www.investor.gov/CRS) for free, simple tools to research firms and for educational materials about broker-dealers, investment advisers, and investing. Investment advisory and brokerage services and fees are different and it is important for investors to understand those differences.

## Item 2: Relationships and Services

*Questions to ask us: Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

What investment services and advice can you provide me? Our firm primarily offers the following investment advisory services to retail clients: portfolio management (we review your portfolio, investment strategy, and investments); financial planning (we assess your financial situation and provide advice to meet your goals). As part of our standard services, we monitor client accounts no less than quarterly. After having discussed the investment plan with our clients, our firm implements and maintains the plan on a discretionary basis. We will not make material changes from the investment plan without discussing with the client first. We do *not* limit the types of investments that we recommend. Our investment minimum is \$600,000. Please also see our Form ADV Part 2A ("[Brochure](#)"), specifically Items 4 & 7.

## Item 3: Fees, Costs, Conflicts, and Standard of Conduct

*Questions to ask us: Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me? What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have? How might your conflicts of interest affect me, and how will you address them?*

What fees will I pay? The fee amount is determined by the value of your assets; the more assets you have in your advisory account, the more you will pay us. All fees are paid quarterly in advance. You pay our fees even if you do not have any transactions and the advisory fee paid to us generally does not vary based on the type of investments selected. Please also see Items 4, 5, 6, 7 & 8 of our [Brochure](#).

Third Party Costs: Some investments (e.g., mutual funds, etc.) impose additional fees (e.g., transactional fees and product-level fees) that reduce the value of your investment over time. You may pay fees to a custodian that will hold your assets. Additionally, you may pay transaction fees when we buy and sell an investment for your account. **You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you**

**make on your investments over time. Please make sure you understand what fees and costs you are paying.** Please also see our [Brochure](#) for additional details.

Conflicts of Interest: When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means: whether to pay off a mortgage or not, making recommendations regarding large gifts to charity or family, etc.

How do your financial professionals make money? All of our financial professionals are paid a fixed salary. Firm wide bonuses may be paid based on firm wide goals. Please also see Item 10 of our [Brochure](#) for additional details.

## Item 4: Disciplinary History

*Questions to ask us: As a financial professional, do you have any disciplinary history? For what type of conduct?*

Do you or your financial professionals have legal or disciplinary history? No, we do not have legal and/or disciplinary history. Visit <https://www.investor.gov/> for a free, simple search tool to research us and our financial professionals.

## Item 5: Additional Information

*Questions to ask us: Who is my primary contact person? Is he or she a representative of an investment adviser or a broker-dealer? Who can I talk to if I have concerns about how this person is treating me?*

For additional information on our advisory services, see our [Brochure](#) available at <https://adviserinfo.sec.gov/firm/summary/105270> and any individual brochure supplement your representative provides.
