### **NAPA Names Nine SageView Consultants to Top Women Advisors List**

IRVINE (December 3, 2018) – SageView is pleased to announce that nine of its associates have been named to the 2018 list of NAPA Top Women Advisors.

Nearly 500 women were nominated for the honor, which the National Association of Plan Advisors (NAPA) created in 2015. Nominees answered a series of quantitative and qualitative questions about their experience and practice, which were then reviewed anonymously by a panel of judges. Individuals from across the retirement industry spectrum also had the opportunity to cast their votes, resulting in roughly 15,000 votes tallied.

Those who made the list were separated into three categories: Captains, All-Stars and Rising Stars.

Among the Captains are SageView's Kerrie Casey, AIF®, QPFC; Julie Kim, CPFA; Nichole Labott, MBA, AIF®; Jennifer Purisima, QPFC; and Brenda Tarjan, QPFC. Recognized as All-Stars are Susan Hajek, MBA, QPFC; Heather Johnson, AIF®; Shelly Schaefer, AIF®, QPFC; and Larissa Whittle, CEBS.

Randy Long, SageView Founder and Managing Principal, congratulated the honorees, commenting: "We are thrilled to have nine of our advisors on an impressive list of women making a real impact on the retirement industry. SageView is proud of their contributions and the level of excellence each of these individuals brings to their plan sponsor clients as well as participants."
