

Anita Bevis recently celebrated her second anniversary with Kessler Investments on August 9th. Anita holds the position of Director of First Impressions and is the friendly face greeting clients as they arrive at the office. Part of Anita's duties at Kessler Investments is to personalize, track and mail all the Birthday cards, Thank you Cards, and friendly reminder calls. Anita also enjoys laminating special moments from the newspaper of clients and friends and dropping them in the mail to help preserve the memory. Friendly hospitality is the atmosphere at the frequent seminars held at Kessler Investments thanks to Anita's attention to detail to ensure everyone has their custom information packets, a comfy seat, and a plate full of goodies.

Anita is likely a familiar face to many as she owned & operated A & B Ceramics, with her husband, Bruce for many years and then managed the front desk of the Athol YMCA for 9 years. She has also worked at CHD in Orange & Athol, before taking time to care for her father. All of these opportunities allowed her to be introduced to many families & individuals in the local area.

Anita resides in Athol w/ her husband. She has 2 children and 4 grandchildren, whom also live in Athol. She is active in her church, Second Cong. Church of Royalston. She enjoys being a part of a Bible Study, reading, quilting & other crafts.
