How We Protect Confidentiality:

Packerland uses procedural, physical, and electronic system safeguards to store and secure information about you in compliance with federal standards. Our systems protect your information from unauthorized access, alteration, and destruction. Access is permitted only to those individuals within our organization who need the information to perform their job responsibilities. When we enter into agreements with other companies to provide services available to you, we include a confidentiality clause. Under such an agreement, these companies may receive information about you, but they may only use it for the intended purpose, which is to benefit you.

Persons Covered by the Privacy Policy:

The Packerland Privacy Policy applies to anyone who is a current or former Packerland Brokerage Services client, including customers of our correspondent clearing firm. We provide you with a copy of this policy when you open an account, and we send you annual notifications thereafter. If we change our policy regarding the sharing of information, we will notify you in advance and give you the opportunity to "opt out" of such disclosure.

How We Obtain Information About You:

In the normal course of business, we collect, retain and use information about you to serve your financial needs, administer your account(s) and inform you of products and services that may be of interest. This data, known as non-public personal information, may be collected from several sources, including: Packerland's Customer Account Form, applications and other forms you file with us, product vendors as a result of your transactions with us, our affiliates, and non-affiliated third parties such as consumer reporting agencies or medical providers. Because we strive to provide you with the best possible service, the accuracy and completeness of your personal information is important to us. We ask that you review your information regularly to ensure that it is correct. Please contact your account representative or Packerland directly if you need to correct or update your personal information.

Packerland does not sell your personal information to anyone. We restrict the types of information we share and the types of entities with whom we share it. The primary reason for sharing information about you is to increase your convenience in transacting business with us and to give you more financial services choices.
