“Even though it is an election year, we here at Kessler Investments are optimistic about the current and future economy. There are many indicators that are giving us hope of a positive year for our clients.” – William D. Kessler

Our Community

The YMCA “Partner with Youth” Dinner Dance was a huge success and Kessler Investments was there to help out! All proceeds from this fundraiser help support with financial assistance to all so that everyone that wants to participate in the Y can, regardless of their ability to pay.

April 9th was the Annual River Rat Race / Big Cheese 5K. You guessed it, the Kessler Team was there again in full force. Bill drove his 1941 Packard with Captain Vincent “Bill” Purple riding shotgun as the lead car of the WWII Weekend Convoy in the parade. While Bill was driving, Amy was participating in the 5K...and finished! Kim was working the table at the NQ Masonic Lodge and then Bill & Greg hopped in their canoe (with trumpet aboard) to head down the river with the other “river rats”. They finished without getting wet! Great job boys!

Applications are in and the Kessler Investments Scholarship Committee will begin the selection of their second recipients. Scholarships will be presented at the upcoming graduations. Last year’s recipient was Tanner Favreau of Athol High School. If you would like more information about applying for next year’s scholarship please contact us at 978-249-2837.
