College of Financial Planning Awards Violet Krom the Registered Paraplanner (RP) Designation

Asset Management Group, Inc. of Stamford, CT., is pleased to announce that the College of Financial Planning has awarded Violet Krom the Registered Paraplanner (RP) designation. Our firm recognizes the importance of continuing education for each of our team members, and we support them to expand their knowledge in all areas of the financial planning process. As the world of finance becomes ever more complex, we need professionals who can understand and communicate about all aspects of the financial planning process. Major topics of study for the Registered Paraplanner Designation include personal financial statements, the time value of money, insurance, investments, tax planning, retirement planning, and estate planning.

Violet immigrated to the United States in 2002 from Poland, lives in Stamford, and is working towards a degree in Business Administration at Sacred Heart University. She is a client service administrator at Asset Management Group where she has worked for the past two years. The College for Financial Planning has been the premier provider of financial planning education in the United States for the last 30 years. The College is accredited by the Higher Learning Commission and is a member of the North Central Association. Asset Management Group, Inc. is regularly recognized among the top wealth managers in the United States. The company is proactive in developing long-term relationships with its clients, keeping them informed of the latest financial information, and providing services that exceed client's expectations.
