Annual Renewable Disability Income (ARDI) rider

You can purchase your monthly benefit amount with a lower initial premium that increases annually through age 55. You have the option to convert to a level premium, up to age 50.

Cost of Living (COL) riders

Increase monthly benefit when you are totally or residually disabled beyond one year. Choose from 3 percent simple interest increase or 2 to 6 percent compound interest increase.

Residual Disability riders

Benefits are payable when you are disabled but still working and suffering a loss of monthly earnings and a loss of time or duties. Choose from Enhanced or Basic.

Enhanced residual pays benefits proportionate to the loss of monthly earnings with full benefits payable with 75 percent or more loss of monthly earnings.

Basic residual pays benefits proportionate to the loss of monthly earnings up to 50 percent of the base monthly benefit.

Catastrophic Disability Benefit (CAT) rider

Provides additional benefit while you are catastrophically disabled until age 65, 67 or 70. Catastrophically disabled means you are unable to perform 2 of the 6 activities of daily living.

Guarantee of Physical Insurability (GPI) rider

Allows you to increase your coverage annually, up to age 60, with only financial proof of insurability. Increase in coverage may increase your premium.

Noncancellable and Guaranteed Renewable to the Expiration Date. You can renew this policy annually until the expiration date (age 65, 67 or 70), during which time we cannot cancel or change the terms of this policy or change the premiums if you pay the premiums on time. **Conditional Renewal after the Expiration Date:** After the expiration date, you may renew this policy annually if: the policy is still in force; you are not Totally Disabled; you are regularly employed; we approve your application; and you pay the premiums for your age and sex at the time of such renewal.

Total Disability. You have a Total Disability if due to a sickness or injury, in and of itself: (1) you are not able to perform the Material and Substantial Duties of Your Regular Occupation; and (2) you are not working in any other occupation for wages, compensation or profit; and (3) you are under the regular care of a physician. Your Regular Occupation is the occupation in which you are regularly engaged on the date of Total Disability. Your Material and Substantial Duties are those you are normally required to perform in Your Regular Occupation, and that cannot be reasonably omitted or changed.

Exclusions. We will not pay benefits for any Total Disability related to or that results from war or an act of war, active military service, an injury or sickness excluded by endorsement, felonious conduct, an illegal occupation, or an intentionally self-inflicted injury or sickness. Nor will we pay benefits during any period while you are incarcerated or under detention, or that your medical or professional license has been surrendered, suspended or revoked.

Limitations. Pre-existing Conditions. A pre-existing condition generally means a sickness or physical or mental condition that existed 5 years before the policy becomes effective. An endorsement may exclude coverage for the life of the policy for any Total Disability that results from a named pre-existing condition. Otherwise, if it was not disclosed in the application, no benefit will be paid for any Total Disability that results from a pre-existing condition and that starts during the first two years of the policy.

Mental Disorder/Substance Abuse. If your Total Disability is caused by a mental disorder or substance abuse, we will only pay benefits for a cumulative total of two years during the lifetime of this policy.

Residing Outside of the United States or Canada. We will stop paying benefits if you reside outside the United States, its Territories or Canada for more than three consecutive months.
