

Financial Firm—Westbrook, Connecticut

Unique Opportunity for Captive and Independent Financial Advisors

At Scranton Financial Group, we are committed to helping advisors propel their own practice to the next level.

With over 30 years' experience in the financial services industry, David J. Scranton, owner of Scranton Financial Group, and his team of professionals share their expertise and experience to bridge that gap between prospects and clients.

Let Scranton Financial Group focus on your marketing, social media, and paperwork processing needs, while you focus on clients.

We will deliver a turnkey marketing program with quantitative results, assist in branding your practice, process applications, and service paperwork for new and existing clients.

In addition, Scranton Financial Group will also train your staff members on client service procedures that will help with client retention as well as referral opportunities.

Through a joint arrangement, Scranton Financial Group will share the costs associated with marketing based on your individual sales production.
