CFS® - Certified Fund Specialist®:

Mr. Lederer has earned a CFS designation. CFS® is the oldest designation in the mutual fund industry.

With mutual funds training, a Certified Fund Specialist® is able to evaluate and compare financial measurements and benchmarks when constructing a portfolio. Modern portfolio theory (MPT) is a key part of the program; its components are broken down and detailed in terms the advisor can easily understand and convey to a client. Armed with MPT and other selection criteria learned as part of the mutual fund education, a suitable and efficient portfolio using closed-end, exchange-traded, and open-end funds can be derived.

Practitioners and academics continually update the CFS® materials. Students obtain the best of both worlds—the practical as well as the theoretical. Closed-end funds, ETFs, REITs and UITs are also covered, thereby providing the student with a more rounded education. With this additional investment knowledge, advisors and brokers offer ideas to clients that they would not receive elsewhere.
