LeGrand S. Redfield, Jr. CLU, ChFC, CFP® to Speak at Harvard

Asset Management Group, Inc. is pleased to announce that it's President has accepted an invitation to speak as part of the Beth Israel Deaconess Medical Harvard Emergency Medicine Residency Weekly Didactic Lecture Series on June 22nd, 2011. This is the third consecutive year Mr. Redfield has been invited to speak at the series. The topic is "Finances for Medical Residents" and will cover what residents and attending physicians need to consider in today's constantly changing financial environment. Topics will include finding the right disability insurance, paying off debt, accumulating funds for a home, 529 plans, subjects to discuss with their attorney for estate planning, the benefits of 401(k) plans, IRA's, Roth IRA's, and both simple and complex strategies to achieve their long term objectives.

The Department of Emergency Medicine at Beth Israel Deaconess Medical Center provides an excellent opportunity for medical students to develop their skills in the assessment and management of acutely ill and ambulatory patients. As a Level 1 trauma center with an annual patient volume of approximately 53,000 patients, the department serves as the clinical training site for over 100 medical students each year.

Asset Management Group, Inc., www.AMGplanning.com, was founded in 1983. The financial planning practice is a dynamic, privately held company with a well-established customer base. The firm builds long-term relationships with clients and provides them with financial planning advice and counseling. The company is proactive in bringing information and advice to its clients and strives to provide services that exceed their client's expectations.
