October 27, 2015

### **Kyla M. Keck of SageView Advisory Group Elected to At-Large Seat on the American Retirement Association's Board of Directors**

IRVINE, California (October 27, 2015) – SageView Advisory Group is pleased to announce that one of its principals, Kyla Keck, ERPA, CPC, QPA, QKA, has been elected to an at-large seat on the American Retirement Association's Board of Directors. Her term will start January 1, 2016. Kyla has been serving as the President of the American Society of Pension Professionals & Actuaries (ASPPA).

The American Retirement Association (ARA) is a non-profit professional organization with two major goals: to educate all retirement plan and benefits professionals, and to create a framework of policy that gives every working American the ability to have a comfortable retirement. It is the foremost industry association and is comprised of four premier retirement industry associations; the American Society of Pension Professionals & Actuaries (ASPPA), the ASPPA College of Pension Actuaries (ACOPA), the National Association of Plan Advisors (NAPA), and the National Tax-deferred Savings Association (NTSA). ARA has over 20,000 members and a strong advocacy operation that puts us at the center of any legislative debate or policy discussion. ARA represents every type of pension professional – from business owners, actuaries, consultants and administrators, to insurance professionals, financial advisors, accountants, attorneys and human resource managers – all united by their belief in, and commitment to, the private pension system.

Kyla has been and continues to be an extremely valuable member of the SageView team. With over 30 years in the industry, Kyla brings experience and expertise in plan design, consulting and compliance to the many retirement plan clients served by SageView Advisory Group and SageView Retirement Plan Consultants.

After receiving a B.A. in History from the University of Tennessee, Knoxville, Kyla began her career with Boone & Company, an actuarial and consulting firm in Winston-Salem, NC. She returned to Knoxville as Plasti-Line's Compensation and Benefits Manager and later served as Assistant Vice President of First American Bank, Employee Benefits division. Her commitment to the professionalism of her industry led her to founding membership in the local Chapter of the International Society of Certified Employee Benefits Specialists and active membership in the Tennessee Valley Employee Benefits Council. Kyla's long history of volunteerism and professional credentialing with ASPPA coincided with her partnership in Knoxville's Retirement Plan Consultants, Inc. She currently serves as a Principal with the successor firm, SageView Retirement Plan Consultants, Inc.
