

# *SecondHalf Coach Wealth Management and GoAL Magazine Sponsor Tents at Westmoreland Croquet Tournament*

The annual Westmoreland Croquet Tournament has become one of the largest nationally sanctioned matches in the country and the most prized event of its kind in our community.

The 2017 Tournament hosted approximately 2000 people and 2018 had just a few less due to the rainy weather. This is one event that invites the whole family. They encourage our younger generation to participate in hopes they will grow and continue what we have supported over the years.

The Purpose of the Old Joe Club Charities / Westmoreland Croquet Club is to provide grants that support qualified 501(c) 3 organizations by holding yearly fund-raising events.
