## Client Profile

## Risk Profile

## What best describes your investment personality? Please rank answers 1-4 (1=closest to my personality)

## Safety:

Rank
I cannot tolerate any decline in my investments. $\qquad$
I can tolerate some fluctuation in my investments, as long as they may recover within $1-3$ years. $\qquad$
I can accept short-term losses for potentially higher returns overall. $\qquad$
I expect my investments to fluctuate as a cost of potentially achieving significant returns. $\qquad$

## Liquidity:

I need to have access to my money:

- within the next two years
- within the next 3 to 5 years
- within the next 6 to 10 years
- will not need for 11 years or more

## Income:

I need steady income from my investments now.
I will not need income from my investments in the near future.

My experience with investments is:

- minimal
- moderate
- significant

For the long term, what would you consider a realistic pre-tax return?

- Growth (capital appreciation)
- Yield (interest rate)
$\qquad$
- Inflation

## Goals

At what age do you expect to stop working full-time?
Do you plan to work part-time during retirement?
What is your desired monthly income in retirement?
$\qquad$

Do you desire to contribute to your children's educations funds?

- If Yes, how much do you wish to contribute? (private vs. public, partial fund vs. $100 \%$ )

How much emergency funds do you need?
What are some other goals you desire to achieve? (new home, second home, travel, start a business, change careers, etc.)
