JOHN A. ANDERSON, CLU IS PART OF THE LATEST CLASS OF AALU MEMBERS

WASHINGTON, DISTRICT OF COLUMBIA – March 17, 2015 – John A. Anderson, CLU, has been approved for membership in the [Association for Advanced Life Underwriting \(AALU\)](#) by the Association's Board of Directors as part of the March class of new members.

AALU members are among the most successful professionals in the life insurance and related markets. Members and their clients benefit from industry leading insight and analysis created by recognized legal, tax and market experts as well as opportunities for members to advocate on behalf of their clients – the more than 75 million American families and businesses that rely on life insurance for financial security.

Mr. Anderson is the Managing Principal and Founder of Tempewick Wealth Management. Tempewick Wealth Management is an independent and privately held wealth management practice that specializes in estate and investment planning, business succession, and wealth transfer. The firm helps its clients retain and ultimately transfer their wealth through a variety of services and in cooperation with their client's existing advisory team. Mr. Anderson is also a Chartered Life Underwriter with twenty eight years of experience providing income and estate tax planning, pension, and business planning counsel to high net worth individual and their families, professionals, financial and legal advisors. Mr. Anderson has been featured in The Wall Street Journal and is a frequent speaker on the topic of trust owned life insurance and estate and gift tax planning. For more information about John A. Anderson, visit www.tempewick.com

About the AALU:
