## WHAT IS END 68 HOURS OF HUNGER?

End 68 Hours of Hunger is a private, non-profit effort to confront the approximately 68 hours of hunger that some school children experience between the free lunch they receive at school on Friday afternoon and the free breakfast they receive at school Monday morning.

## OUR MISSION

To put nourishing food in the hands of children who experience hunger for the approximately 68 hours that occurs between the free lunch they receive in school on Friday and the free breakfast they receive in school on Monday morning.

## OUR VISION

To end childhood hunger in our communities by providing food for children Pre-K through Grade 6 in the Wolfeboro, Tuftonboro, Ossipee, Middleton communities, Ossipee Headstart, and the Wolfeboro Children's Center, so that no child goes hungry on the weekends.
