Item 3 Disciplinary Information

Item 4 Other Business Activities

In addition to serving as an Advisory Representative for Financial Dimensions Group, Inc. (hereinafter referred to as "FDG"), Susan Anderson is a registered representative of Royal Alliance Associates, Inc. ("Royal Alliance"). Royal Alliance is a diversified financial services company registered with the Financial Industry Regulatory Authority ("FINRA") as a broker-dealer engaged in the offer and sale of securities products. Susan recommends the purchase of securities offered by Royal Alliance. If you purchase these products through her, she will receive normal commissions, which will be in addition to customary advisory fees. This is a conflict of interest. Additionally, as further disclosed in the Disclosure Brochure under the Fees and Compensation section, Susan will receive trail compensation for investments directed through Royal Alliance. This practice gives Susan an incentive to recommend investment products based on the compensation received, rather than the client's needs. However, 12b-1 fees or trail compensation paid on securities held in managed accounts will be refunded to the client and will not be paid to Susan.

Royal Alliance is also a SEC-registered investment adviser. Susan is an advisory representative of Royal Alliance and offers securities products on a fee basis and receives advisory fees. There is a conflict of interest in that she recommends the use of advisory programs at Royal Alliance for which she will receive compensation.

You should be aware of the incentives we have to sell certain securities products and we encourage you to ask us about any conflict presented. Please be aware that you are under no obligation to purchase products or services recommended by us or Royal Alliance in connection with providing you with any advisory services that we offer.

As a registered representative of Royal Alliance, Susan is subject to oversight by Royal Alliance over all her securities activities and certain outside business activities. Such oversight includes the review of Susan's securities business to ensure she considers the client's best interests.

Royal Alliance and FDG are not affiliated. As an independent contractor of Royal Alliance, Susan spends approximately 20% of her time offering securities products on a fee or commission basis with Royal Alliance.

Additionally, Susan is a licensed insurance agent. You are not obligated to purchase insurance or securities products through Susan. However, if you implement insurance recommendations through her, she will receive commissions. The insurance business comprises approximately 5% of her time. The amount of income she receives from insurance business will fluctuate depending on the amount of sales. There may be other insurance products and services available through other insurance professionals at a lower cost than those products available through Susan. For additional information, refer to the section entitled Brokerage Practices (Item 12) in the Disclosure Brochure (Form ADV Part 2A).

Item 5 Additional Compensation

In her role as a registered representative and advisory representative of Royal Alliance, Susan M. Anderson will earn commissions and/or advisory fees. The amount of commissions and/or fees paid by Royal Alliance to Susan will fluctuate based on her overall production. Therefore, the more business placed by Susan through Royal Alliance, the greater her opportunity to reach another threshold and earn a higher payout.

Susan receives an economic benefit from persons other than clients for providing advisory services. Many of the companies that provide access to their products and programs provide her with opportunities to receive additional compensation in the form of marketing and business reimbursements, business development support, payment for travel-related costs and expenses for attending business meetings and conferences, and various forms of gifts and entertainment. She has the opportunity to receive forgivable or unforgivable loans, enhanced payouts, and discounts, waivers, or credits on transaction, platform, and account fees; technology fees; research package fees, financial planning software fees; administrative fees; brokerage account fees; account transfer fees; and the costs of attending conferences and events. She also has the opportunity to receive awards and attend certain paid Royal Alliance "top producer" trips and entertainment based upon her total gross revenue production. These enhanced payouts, discounts, trips, entertainment, and other forms of compensation that she has the opportunity to receive from Royal Alliance provide a financial incentive and a conflict of interest for her to select Royal alliance as broker/dealer for your accounts.

There are conflicts of interest for Susan to maintain clients' assets at Royal Alliance and direct business through Royal Alliance. Such conflicts include educational, training, and incentive programs for meeting sales production goals. To mitigate the conflicts of interest, this disclosure has been provided to you. If you have any concerns about the recommendations provided by your Advisory Representative, you should discuss this with your Advisory Representative. As well, you are free to consult other financial professionals. Please refer to our Brochure ADV Part 2A, Item 14, for more complete information about conflicts of interest. A current copy can be obtained by contacting us at the telephone number listed on the cover page of this document or by visiting the SEC's website at www.adviserinfo.sec.gov.

Item 6 Supervision

Susan Anderson is an Advisory Representative of FDG. Supervision and oversight of the activities conducted through FDG is conducted by Gregg R. Anderson, Director and Chief Compliance Officer of FDG. Gregg can be contacted at 651-481-6283.

FDG has procedures in place to supervise the activities of Advisory Representatives and the advisory business. Additionally, FDG has a code of ethics it requires its Advisory Representatives to acknowledge and agree to adhere to as well as policies and procedures for conducting business.

As stated in the Disclosure Brochure and as indicated above, Royal Alliance will also oversee the securities business of Susan. Because Susan is a dually registered agent of Royal Alliance and FDG, Royal Alliance has certain supervisory and administrative duties pursuant of the requirements of Conduct Rule 3040. Such review does not include the provision of investment advisory services to the clients of FDG.
