

# Charlotte Geletka Recognized as One of *InvestmentNews*' 40 Under 40

Submitted by Charlotte Geletka

Charlotte Geletka, a long-time resident of Morningside, where she lives with her husband and two young boys, has been honored as one of *InvestmentNews*' 40 Under 40 for the 2019 class. She is one of 16 women recognized and the only honoree from the state of Georgia.

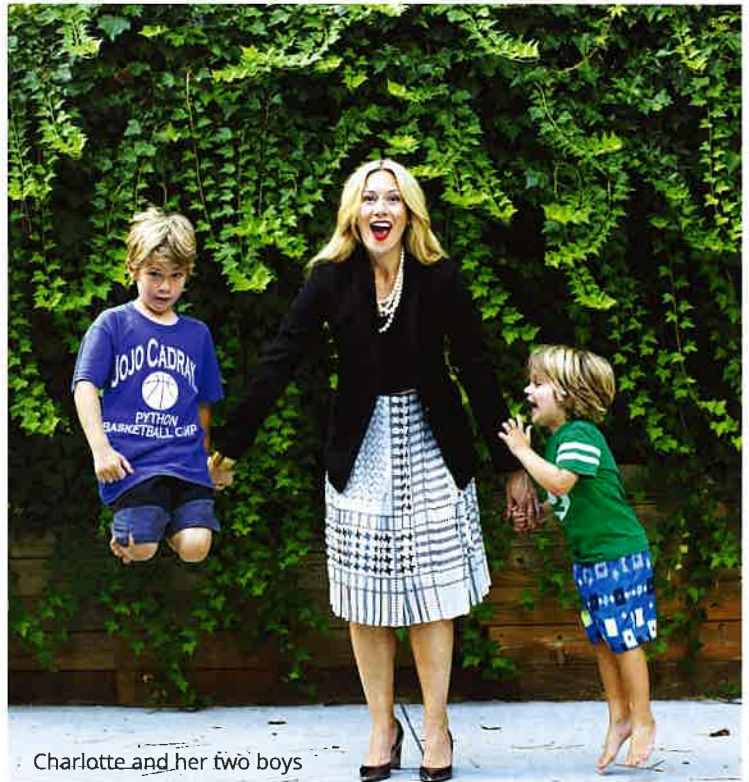

Geletka, who is the managing partner of Atlanta-based Silver Penny Financial Planning, is a leader in helping retirees accomplish their life goals.

Each year *InvestmentNews* receives over 1,000 nominations, and Charlotte was selected based on her accomplishments to date, contributions to the financial industry, leadership, and promise.

You may see her around conducting financial education talks for the kids of Morningside Elementary and through the Kennrod Organization. She regularly speaks on leadership and empowering women of all ages to become financially confident.

Charlotte is fondly referred to as 'warrior' by her tennis teammates, a testament to her tenacious and motivated attitude on the court and in life.
