Local Family Company Recognized for Multiple Client Service Awards

Gwinnett, GA - Reed Financial Group was awarded Best of Gwinnett 2015 in the Finance and Banking category by Gwinnett Magazine. This is the firm’s fourth client service based award in the last 15 years.

The Best of Gwinnett Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Gwinnett area. The award is given to those businesses that have been nominated and voted as Best of Gwinnett by Gwinnett Magazine readers.

Reed Financial Group’s mission is to help retirees and soon-to-be-retirees take control of their financial future. April Reed Crews, Chief Investment Officer for Reed Financial Group, credits the award to the firm’s high standard of care and money management system.

“As fiduciaries, we see it as our responsibility to help our clients make the strongest financial decisions for themselves and their loved ones,” said Crews. “Our clients understand the importance of having a system, including downside risk management, in place for their retirement.”

Gary W. Reed, Founder and President, added:

“As a family owned firm, we pride ourselves in helping our clients retire with the security and confidence that comes from knowing that they have a sound financial plan that is designed to protect them today, tomorrow, and long into the future.”

In 1979, Gary W. Reed founded Reed Financial Group to help local retirees and soon-to-be retirees build and secure their financial future. As financial advisors, we specialize in helping retirees build sound financial strategies, with a focus on downside risk management, designed to provide them with security and peace of mind in retirement. Reed Financial Group’s Chief Operating Officer, Daniel Crews, serves on the Investment Committee for Registered Investment Advisory Firm Precision Capital Management, a committee that oversees approximately \$6 billion in assets and specializes in downside risk management strategies.

Reed Financial Group was featured as one of Georgia’s leading financial experts in Forbes magazine in 2014, and is the recipient of the prestigious Five Star Wealth Manager award for 2011, 2014 & 2015.
