

Golden Pond Wealth Management not only helped sponsor this year's PFBF's 9th Annual "Run the Numbers" and Kids Fun Run, we participated AND we earned the "Largest Team" award! This year's race, along with a matching donation from the Harold Alfond Foundation brought in \$33,000 for the Camp Tracy Campership Fund! Camp Tracy Campership Fund is a fund for the children in the Greater Waterville area that will allow the kids to discover friends, talents, nature and themselves as they experience a variety of activities and events that Camp Tracy has to offer.
