<p>Item 1. <u>Introduction</u></p>	<p>Conestoga Capital Advisors, LLC (“CCA”) is registered with the Securities and Exchange Commission (SEC) as an investment adviser. <p>Item 2. <u>Relationships and Services</u></p>	<p>What investment services and advice can you provide me? We offer investment advisory services to retail investors, including investment management services on a discretionary or non-discretionary basis to, individuals, associated trusts, and estates. Such services will be provided within the guidelines formulated by clients, in pursuit of investment objectives outlined by each client. We generally use an investment process based upon fundamental business and credit analysis; capital structure and liquidation analysis, a review of all legal documentation surrounding an issuer’s securities and identification of an investment catalyst.</p> <p>Monitoring All investment advisory accounts are reviewed, not less than quarterly, for their adherence to the firm’s investment policies and strategies and specific security ownership, all within the context of specific client guidelines and objectives. Reviews may also be undertaken because of changes in market conditions, changes in investment policies and strategy and changes in securities positions.</p> <p>Investment Authority We offer investment management services on both a discretionary and non-discretionary basis.</p> <p>Limited Investment Offering We do not limit our advice to proprietary products, or a limited menu of products or types of investments.</p> <p>Account Minimums and Other Requirements Our minimum account size is \$5,000,000; however, we reserve the right to accept accounts below \$5,000,000.</p> <p>Additional information about CCA services is available on Part 2 of our Form ADV, which is available at https://adviserinfo.sec.gov/firm/summary/111750.</p> <p>Conversation Starters. Ask your financial professional—</p> <ul style="list-style-type: none">• Given my financial situation, should I choose an investment advisory service? Why or why not?• How will you choose investments to recommend to me?• What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?
<p>Item 3. <u>Fees, Costs, Conflicts, and Standard of Conduct</u></p>	<p>What fees will I pay? Investment management fees are based on a percentage of assets under management and are collected quarterly in advance. For equity portfolios fees are 1.00% up to \$25,000,000 and negotiated over \$25,000,000. For fixed income and balanced portfolios fees are negotiated. From time to time, we may enter into alternative fee arrangements that will be negotiated on a case-by-case basis. We may also provide investment advisory services for a fixed fee in limited circumstances.</p> <p>In addition to the investment management fees, clients bear trading costs and custodial fees. To the extent that clients’ accounts are invested in mutual funds including money market funds, these funds pay a separate layer of management, trading, and administrative expenses. Additional information about our firm’s fees are included in Item 5 of Part 2 of Form ADV, available at https://adviserinfo.sec.gov/firm/summary/111750.</p>

	<p>You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.</p> <p>Conversation Starter. Ask your financial professional—</p> <ul style="list-style-type: none"> • Help me understand how these fees and costs might affect my investments. If I give you \$5,000,000 to invest, how much will go to fees and costs, and how much will be invested for me?
<p>Item 3. <u>Fees, Costs, Conflicts, and Standard of Conduct</u></p>	<p>What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?</p> <p>When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide to you. Here are some examples to help you understand what this means.</p> <ol style="list-style-type: none"> 1. We manage accounts for multiple clients, and we allocate our time based on each client’s needs. Our firm earns more as we expand our client base and grow our assets under management, and we seek to balance our staffing with the individualized needs of each client. 2. We do not receive compensation for the sale of securities or other investment products. However, Mr. Clewett and Mr. Riggs are Registered Representatives of Foreside Financial Group, LLC and may recommend mutual funds that pay commissions (including 12(b)-1 fees, “trails”, or other compensation) from the product sponsor. We along with Foreside Financial Group, LLC monitor Mr. Clewett’s and Mr. Rigg’s activities to mitigate any actual or potential conflicts of interest. 3. A portion of Mr. Riggs’ compensation is based on mutual fund sales for our proprietary funds (Conestoga Small and SMid Cap Funds) 4. Some of the broker-dealers that we trade with allocate a portion of the commissions that our clients pay to be used by us to pay for research. These “soft dollar” arrangements help our firm make investment decisions, but they can have the effect of increasing clients’ transaction costs. <p>Conversation Starter. Ask your financial professional—</p> <ul style="list-style-type: none"> • How might your conflicts of interest affect me, and how will you address them? <p>Additional information about conflicts of interest between CCA and its clients is available on Part 2 of our Form ADV, which is available at https://adviserinfo.sec.gov/firm/summary/111750.</p> <p>How do your financial professionals make money?</p> <p>Our financial professionals receive a salary and may receive a discretionary bonus. Compensation is set with the intention of attracting and retaining highly qualified professionals. Compensation is based on a variety of factors, including the number, value and complexity of accounts under management, the performance of those accounts, and client satisfaction and retention. Please see the points 2. and 3. above for additional information regarding the compensation of Mr. Clewett and Mr. Riggs.</p>
