What investment services and advice can you provide me?

Our firm is a decentralized network of Investment Adviser Representatives (“IARs”) doing business in disparate offices located in numerous cities and states. The majority of IARs are registered representatives affiliated with LPL Financial (“LPL”), an independent broker-dealer/custodian. Most IARs work under a separate “doing business as” (“DBA”) name under our firm. Investment advisory services provided through our firm include portfolio analysis, financial planning, retirement consultation, and investment management on a discretionary basis. Other activities, such as insurance and accounting services, may be provided as an outside business activity by our IARs with the approval of the firm and LPL.

Ask your financial professional the following questions:

Given my financial situation, should I choose an investment advisory service? Why or why not?

How will you choose investments to recommend to me?

What is your relevant experience, including your licenses, education, and other qualifications? What do these qualifications mean?

Our IARs have access to various investment management and asset allocation programs, including: LPL’s Managed Account and Asset Allocation Program (comprising of Strategic Wealth Management, Model Wealth Portfolios, Optimum Market Portfolios, Personal Wealth Portfolios, Manager Access Select, Manager Access Network, Small Market Solution Program and Guided Wealth Portfolios; Schwab’s Sponsored Programs (comprising of Managed Account Select, Managed Account Access and Managed Account Marketplace); TD Ameritrade’s Managed Account and Asset Allocation Program; Fidelity Institutional Asset Management; and other Turnkey Asset Manager Programs. Portfolio Consulting services offered directly to our IARs is provided by our affiliate, Honor Bound Consulting Services, LLC. We also offer discretionary comprehensive investment management services (“Direct Asset Management Services”) using allocation planning software, tools,

platforms and services provided by various broker-dealer/custodians as further disclosed in our Form ADV.

Our IARs provide advice and recommendations on various securities to include equities, options, certificates of deposit, limited partnerships, variable life insurance, variable annuities, mutual funds, ETFs, municipal securities, U.S. government securities, structured notes and debt instruments. There are minimum account size requirements for investment management platforms. Your account assets will be managed in a manner consistent with your stated investment objectives and risk tolerances, and account reviews will be conducted at least annually by your IAR. *For further information about DBAs, our services, and advice provided please read Items 4, 7, and 8 of our Form ADV Part 2A disclosure brochure. What fees will I pay?

Investment advisory and Direct Asset Management Service fees are based upon the market value of a client’s account assets as of the close of business on the last day of the previous calendar quarter and are due, payable, and deducted from your account by the custodian in advance (unless otherwise stated in the client agreement). Annual fee amounts vary based on the services provided and investment platform used and generally range from .4% to 2.75%. Our IARs have the ability to negotiate fees, in their sole discretion with the client, so long as such fees fall within ranges approved by the firm. We offer two forms of pricing/fee options: Transaction Based Fee Option wherein clients pay separate transaction charges and/or commissions at the time of each account transaction and Asset Based Fee Option, whereby clients pay a single periodic fee for advisory services, transaction charges, brokerage and related services based on the value of assets in a client’s account. For fees based on a percentage of the value of your account, there is an incentive to encourage you to invest more money with us. NOTE: You will pay fees and costs whether you make or lose money on your investments.

Our Consulting and Financial Planning services are charged through a fixed fee, hourly, or subscription fee arrangement as agreed upon in advance. Fixed fees typically range from \$2,500 to \$50,000 depending on complexity of the project. Hourly fees range from \$250 - \$750 per hour. Subscription fees vary.

Also, you will pay additional fees to third parties in connection with your investment management account that can include, among others: custodial fees, mutual fund 12b-1 fees, certain deferred sales charges on previously purchased mutual funds, other transaction related fees, IRA and Qualified Retirement Plan fees, other taxes and platform charges, transaction costs, commissions and transfer taxes. *Additional details about our fees and other costs associated with investing, and applicable conflicts can be found below and in Items 5, 10 and 14 of our Form ADV Part 2A. Ask one of our financial professionals the following questions:

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have a fiduciary duty to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here is an example to help you understand what this means:

Our firm's IARs generally recommend LPL serve as primary custodian to our clients. Under this arrangement, SWAG receives certain products and services from LPL at no cost that benefit SWAG but do not benefit our clients. Some of these products and services assist us in managing and administering our clients' accounts while others help us develop our business. The receipt of such creates a conflict of interest as it gives us an incentive to have clients custody their assets at LPL. *Additional details about our conflicts of interest can be found in Items 4, 5, 8, 10, 11, 12, and 14 of our Form ADV Part 2A disclosure brochure. For a copy please visit www.fsnweb.com/strategicwealthadvisorsgroup or go to www.adviserinfo.sec.gov.*

Ask your financial professional:

How might your conflicts of interest affect me, and how will you address them?

How do your financial professionals make money?

Each IAR is paid a portion of the advisory fees charged to the IAR's client accounts. Certain IARs act as investment portfolio managers while others act as solicitors for third party investment advisory firms. Most IARs of the firm are registered representatives of LPL. Your IAR may offer you brokerage services through LPL or investment advisory services through our firm. Brokerage and investment advisory services are different, and the fees LPL and our firm charge for those services are different. It is important that you understand the differences. In particular, your IAR may earn additional transaction-based compensation and have additional conflicts of interest as a result of providing brokerage services. You are encouraged to learn more about LPL at <https://www.lpl.com/disclosures.html>. Additional information about compensation arrangements and related conflicts of interest are found in our Form ADV Part 2A and Part 2B. *For a copy please visit www.fsnweb.com/strategicwealthadvisorsgroup or go to www.adviserinfo.sec.gov.*

As a financial professional, do you have any disciplinary history? For what type of conduct?

Do you or your financial professionals have legal or disciplinary history?
