Level Four® Group Welcomes Gary Schmidt, Jeff Schlicht, Matt Scherer, and Mitch Griep to its Minnetonka, MN Branch Office

PLANO, TX - January 27, 2014 - Level Four® Group welcomes its newest advisor group to join the Level Four® Advisory Services network, Summit Financial Advisors (SFA). SFA consists of four established and successful financial advisors that work together to better serve their client base through knowledge sharing and combined expertise that allows them to advise their clients on the full spectrum of financial topics. The advisors of SFA left Thrivent Financial, a national broker/dealer, to join LPL Financial and Level Four Group with an aim to expand their service offering, access to products, and scale in order to more efficiently and completely advise their clients. Level Four Group is very excited to welcome such a talented and established group of advisors, and we feel confident that clients in the Minnetonka area will benefit from this partnership.
