## Ginsburg Financial Advisors, Inc. Visitor Parking New Validation Procedure for Montclair Village Garage

Ginsburg Financial Advisors, Inc. (GFA) has slowly reopened our office for in-person client visits. Our staff has been fully vaccinated and has returned to our office. Beginning Tuesday, June 15, 2021, the Montclair Parking Garage resumed their regular hours; Monday - Saturday 7AM - 9PM; Sunday 8:30AM - 6PM.

GFA has a new validation procedure as noted below that will replace the old validation stickers we use to provide to our visitors.

1. When visiting GFA, please park in the City of Oakland parking lot at the top of LaSalle Avenue (6235 La Salle Ave, Oakland, CA 94611). Exit on the north side of the lot. You will be right across the street from the entrance to our office building just above the U.S. Bank branch. There is no need to stop at the pay station or download the ParkMobile application to your phone.
2. Upon arrival to our office, GFA staff will collect your license plate number and enter it into our ParkMobile Visitor account.
3. The first 20 minutes are free; GFA will pay the cost of three additional hours of parking while you visit our office.

We invite you to visit our website at [www.ginsburgadvisors.com](http://www.ginsburgadvisors.com). Here you will learn more about our services, client value proposition, and our team. The site also has a useful "Resources" section where you can access our previous market commentaries, watch informative videos, download our latest staff contact list, and access useful financial calculators and web links. Please be sure to check our website periodically, as we will be updating the functionality of the site to include a client portal and other useful applications.

We welcome the opportunity to discuss your goals and the most appropriate strategy to pursue them. We are also honored to speak to any of your friends, associates, or relatives should they have an interest in our financial planning or investment management services.
