Introduction

Signator Investors, Inc. (“SII”) is a Registered Investment Adviser registered with the Securities & Exchange Commission (“SEC”) under the Investment Advisers Act of 1940.

SII, through its affiliated Investment Adviser Representatives (“IARs”), provides a variety of services designed to meet the needs of retail individual and corporate clients. This brochure contains information about Portfolio by Design (“PBD”), a wrap fee program sponsored by SII. SII also sponsors other wrap fee programs: John Hancock Portfolio Solutions and Signator Investors, Inc.’s Adviser Managed Portfolios Program. Please contact SII, or your IAR to obtain more information on the other offered SII wrap fee programs.

SII is also a registered broker-dealer and Financial Industry Regulatory Authority (“FINRA”) member offering mutual funds, unit investment trusts, variable contracts, limited partnerships and general securities. Its revenue is primarily derived from commissions and fees earned as a result of the sales and services of these products. Each IAR affiliated with SII must be a FINRA registered representative and be appointed as an insurance agent or insurance broker with John Hancock Life Insurance Company, (U.S.A.) and/or John Hancock Life Insurance Company of New York. As registered representatives and insurance agents or brokers, they are compensated on the sale of investment and insurance products on a commission basis.

To offer PBD, IARs must be approved in the Managed Account Program within the Corporate RIA Program. They must have passed the Series 6 or 7 examination and meet all state requirements to act as an IAR. SII also requires IARs to complete specific internal and industry training programs.

Services, Fees & Compensation Overview

IARs of SII will provide advice to clients for the Portfolio by Design (“PBD”) program, a mutual fund, unified managed account and separate account wrap fee program. The Registered Investment Adviser of the PBD program is Envestnet Portfolio Solutions, Inc. (“Envestnet Portfolio Solutions”). The investment manager is Envestnet Portfolio Solutions. Envestnet Portfolio Solutions is located at 35 E. Wacker Dr., Suite 2400, Chicago, IL 60601. Envestnet Portfolio Solutions’ Form ADV Part 2A is given to clients and prospective clients of the PBD program and contains specific details about Envestnet Portfolio Solutions and its investment advisory qualifications and services.

Through the PBD program, SII IARs may offer five products:

- PBD Premier Manager (“Premier Manager”)
- PBD Premier Advisor Separately Managed Account Program (“Premier Advisor”)
- PBD Premier Manager Income Portfolios
- Unified Managed Account (“UMA”)
- ActivePassive Portfolios

SII also provides investment advisory services on PBD Premier Select and PBD Premier Adviser Mutual Fund. Currently, the PBD Premier Select and PBD Premier Adviser Mutual Fund programs are closed to new clients.

There is no guarantee that the advisory services offered under the PBD program will result in the clients’ goals and objectives being met. Nor is there any guarantee of profit or protection from loss. No

assumption can be made that any wrap fee arrangement or portfolio management service of any nature will provide a better return than other investment vehicles.

Signator Investors, Inc. charges an annual service fee (the "Program Fee") equal to a percentage of the assets invested in the clients account. The Program Fee includes the "Sponsor Fee", the "Service Fee" as well as the "Advisory Fee". The sponsor fee is the compensation paid to SII for services provided to the client's account and is not negotiable. The Service Fee is the compensation paid to Envestnet Portfolio Solutions for services provided to the client's account and is not negotiable. The Advisory Fee is the compensation that is paid to the IAR and is negotiable. The Program Fee is based on the investment option(s) being used to manage the client's account. The program fee includes fees for investment management, clearing and custody.

SII and Envestnet Portfolio Solutions each retain a portion of the Program Fee as compensation for services provided to the client's account. Signator Investors or Envestnet Portfolio Solutions may, in their sole discretion, pay all or a portion of their portion of the Program Fee to another party involved in providing services to the client's account. The Program Fee may be reduced down to the Sponsor Fee and Service Fee. Should IARs opt to charge only the Sponsor Fee, he/she will forgo his/her compensation.

Program Fees are generally billed quarterly, in advance, based on the average daily balance of the account during the prior quarter. Program Fees are debited from the account at the start of each quarter. All unused, pre-paid program fees will be credited (refunded) to the Client's account in the event of termination of this Agreement and/or account closing. The Client account will only be charged for the actual days the account was managed. Program Fees are automatically deducted from the assets in the client's program unless other arrangements have been made.

Upon establishment of the account, the Program Fee will be charged in the month following the account opening. This Program Fee will be pro-rated for the number of days during the first month the account was managed plus the remainder of days in the current quarter. The client account will only be charged for the actual days the account was managed. The program does not charge set-up fees.

Additional nominal regulatory fees may be assessed on certain securities transactions.

All investments in mutual funds are subject to the terms of each of the applicable prospectuses, including associated fees and underlying mutual fund expenses as fully described in the prospectus. All clients will be advised that SII's fees and Envestnet Portfolio Solutions' fees are in addition to fees charged by the mutual funds and exchange-traded funds ("ETFs") in their portfolio. 12b-1 fees are paid on certain offered mutual funds. 12b-1 fee payments are passed through to the accounts.

The PBD program may cost the client more or less than if the client paid separately for the individual services included in the program.

The IAR recommending the program to the client receives compensation as a result of the client's participation in the program, and the amount of such compensation may be more than what the IAR would recommend if the client participated in other programs of SII or paid separately for investment advice, brokerage and other services, and the IAR may therefore have a financial incentive to recommend the program over other programs or services.

For specific information regarding the available products offered through the PBD program and the associated fees, please see below.

Premier Manager

Premier Manager is an Envestnet Portfolio Solutions model driven mutual fund program that allows the client to invest in a broad range of funds from National Financial Services. This program is managed by Envestnet Portfolio Solutions. Therefore, Envestnet Portfolio Solutions is granted investment discretion and will continuously monitor each client portfolio. When deemed appropriate, Envestnet Portfolio Solutions will make changes in both asset class allocations and specific investment selections. Envestnet Portfolio Solutions will also periodically rebalance the portfolios.

In the Premier Manager program the client provides the IAR with information regarding investment objectives, investment time horizon, risk tolerance and other relevant information. The IAR then inputs this information into Envestnet Portfolio Solutions' proprietary investment allocation system, which in turn provides the client and the IAR with investment options that have been determined to be appropriate choices for the client based on the information provided by the client. To make this determination, Envestnet Portfolio Solutions' investment team evaluates and selects available investments. After the initial investment selections have been elected, the IAR meets with the client no less than annually to discuss any changes in the client's financial situation which may affect the client's investment selections.

Within the Premier Adviser there are 2 programs: Mutual Fund Wrap Program (closed to new accounts January 1, 2015) and Separately Managed Account Program.

In the Premier Adviser program, the client provides the IAR with information regarding investment objectives, financial needs, investment time horizon, risk tolerance and other relevant information. The IAR then inputs this information into a proprietary Envestnet Portfolio Solutions' investment allocation system, which in turn provides the client and the IAR with a number of proposed investment options. The IAR may select from an approved list, which mutual funds, ETFs or investment managers are elected for the client's portfolio. These recommendations must coincide with the client's risk tolerance parameters and the proposed asset allocation provided by Envestnet Portfolio Solutions. However, the client retains full discretion and must authorize any recommendations presented by the IAR prior to implementation. The client may accept or decline the recommendations. If the recommendations are accepted by the client, the IAR will provide instructions and Envestnet Portfolio Solutions will implement the client-approved recommendations. In the event that a client's account requires rebalancing, the IAR will discuss the necessary changes with client prior to rebalancing the account.

After the initial investment selections have been elected, the IAR meets with the client no less than annually to discuss any changes in the client's financial situation which may affect the client's investment selections.

Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

SII is responsible for ensuring compliance with Rule 204A-1 of the Advisers Act, which requires a registered investment adviser to establish, maintain and enforce a written code of ethics. Consistent with this obligation, SII has adopted a Code of Ethics that, at a minimum, seeks to promote compliance with

SIIPBD 03272017

fiduciary standards and the means to address conflicts of interest arising from the personal securities transactions of its employees and its IARs. The Code of Ethics describes the standards of conduct that is expected of its employees and IARs. A copy of SII's Code of Ethics is available to clients upon request.

Review of Accounts

SII reviews a sample of its managed client accounts on a quarterly basis. The managed client accounts are reviewed to proactively identify any potential account irregularities.

To conduct its review of accounts, SII selects a sample of accounts and acquires specific account information and documentation that is examined during the review. After the review is completed a report of the findings is created and distributed to various members of the SII management team. Findings are reviewed and addressed to make certain that issues are addressed in a timely manner. These reports are not issued to the respective account owners. If SII becomes aware of a matter that requires the client's attention in order to resolve, SII will promptly notify the client.

Client Referrals and Other Compensation

SII IARs receive client referrals for advisory services. Each client receives a solicitor fee disclosure document that outlines the referral arrangement and any compensation to the individual making the referral.

National Financial Services, LLC., may share revenue associated with the use of no-transaction fee mutual funds in the Program. Such payments vary from .03% to 0.12% based on aggregate no-transaction fee mutual fund assets held with National Financial Services, LLC. As such, there is a potential conflict of interest because SII. may have a greater incentive to recommend investments that provide additional compensation to Signator Investors, Inc. There is no direct incentive for SII IARs to recommend no-transaction fee mutual funds to clients.

Signator Investors, Inc. may receive revenue sharing from third party money managers for new sales and/or assets under management in its investment advisory programs.
