## Take the Complexity Out of Retirement

NEW YORK—MONTH XX, 2017—Morgan James's new release, *Ready to Pull the Retirement Trigger? Your Strategic Guide to Retire with Confidence* by Mary Sterk, shows those approaching retirement age how to retire with confidence and comfortably enjoy the rest of life.

There are many issues facing people as they consider retirement. From the potential for major health issues to knowing when to take out Social Security, those approaching retirement age find themselves lying awake at night wondering when, and even if, retirement will be possible. CFP Mary Sterk takes the complex issue of retirement planning and gives workers straight-forward advice that is easy to understand and simple to follow.

*Ready to Pull the Retirement Trigger* doesn't focus on selling financial products or talking down to those struggling with the intricacies of retirement. Instead, Sterk helps individuals approaching retirement age understand how to safeguard against health issues' impact on retirement plans, create an investment strategy that ensures money will never run out, and so much more.

In a world filled with an overwhelming variety of information, it can be difficult to know what to do and where to turn for guidance. *Ready to Pull the Retirement Trigger* familiarizes readers with all aspects of retirement, from social security rules to Long Term care decisions, enabling them to make educated decisions about the rest of their lives.

There are no do-overs in retirement. Those approaching retirement need a path, a strategy, and a guide they can trust. *Ready to Pull the Retirement Trigger* provides readers with the confidence to make smart retirement decisions and most importantly, shows them how to determine exactly how much money is necessary to feel comfortable pulling the retirement trigger.

If you would like more information about this topic, or to schedule an interview with Mary Sterk, please call Amy Macfarlane 605-217-3555.

### About the Author:

Mary Sterk, CFP, is the owner of Sterk Financial Services in Dakota Dunes, SD. Mary's inspirational story of fighting her way from Welfare to Wealth Management has motivated many people to believe that anything is possible. In her down time, Mary enjoys spending time with her three children and one grandson, and flying her Piper Cherokee.
