Paving the Road to a Future in Finance***

Jay Allen '86 P'15 leading the charge

Bert Languet, CFP® 88' participated in the Colby College Paving the Road to a Future of Finance event in Boston on Tuesday, October 13th, arranged by the Colby College Career Center. 72 students traveled from Mayflower Hill and over 120 alums/parents turned out for lunch, interviews, and networking. One student commented "I was pleasantly surprised about how much I got out of it; it was extraordinarily informative and helpful, I would definitely recommend it in coming years." An alum raved "I will be headed to Summit Partners in the summer of 2016, something I could not have accomplished without the help of Matt Hamilton, a 2005 graduate that I had a speed interview with at PTR 2, needless to say, I would not be anywhere near where I am professionally without the event and the support of alumni." Said Languet, "The event was a great way for current Colby students to interact with Alumni in the financial services field and be exposed to a broad array of career choices".
