All other BRI Strategies	No minimum

- 1 It is the recommendation of Atlas Capital to limit client's investing no more than 50% of their investable net worth in the strategies that use leveraged/inverse/oil/gold/silver or precious metals as investment options at the inception of the account.
- 2 This strategy is not available at all custodians. Please contact Atlas Capital Management directly to confirm availability.
- 3 This strategy may use leveraged and/or inverse investment options
