

Loose Insurance Services, LLC

Privacy Policy

Loose Insurance Services, LLC (LIS) values your business and maintaining your trust is a high priority. We respect the privacy of your personal information and it's confidentiality. This privacy notice is provided on behalf of LIS for its current and past customers. By using the website Medicaremakers.com you signify your acceptance of this Privacy Policy. If you do not agree to this Privacy Policy, please do not use our site.

Information We Collect:

Non-public personal information is information obtained by us in the course of providing you with any of our services in connection with our coverage. The non-public information includes, but is not limited to: your Medicare ID, Social Security number, home address, telephone number, email address, date of birth, income and medical history. We maintain a record of your information at LIS so we can provide you with policy holder services. Non- public information may be obtained from several sources including, but not limited to, your application or website forms.

Our privacy and security procedures:

LIS limits access to your personal information to those involved in administrating your insurance coverage or providing you with service related to your coverage. We maintain physical, electrical and procedural safeguards to protect your personal information.

How are use your information:

LIS uses the information described above to make insurance related decisions on coverage offered. Additionally, we will use this information for business purposes to include research and analytics, as well as marketing products and services we feel you may be interested in. This information is sometimes shared, as permitted by law, with third parties to proces, review, service or improve your coverage.

Changes to our privacy policy:

LIS reserves the right to modify this policy at any time. If you should have any questions regarding our privacy policy, please feel free to contact us at: 920-251-4969 or brad@medicaremakers.com.
