ITEM 4 - OTHER BUSINESS ACTIVITIES

Mr. Eichenwald is a registered representative of Summit Brokerage Services, Inc., a securities broker/dealer, and a member of the Financial Industry Regulatory Authority, Inc. Brokerage services through Summit Brokerage, Inc. are marketed using the name Triumph Capital, LLC. Triumph Capital, LLC is an independent firm and is not affiliated with Summit Brokerage Services, Inc. Advisory services are offered through Triumph Capital Management, a registered investment advisor. Mr. Eichenwald is the sole owner of Triumph Capital Management and Triumph Capital, LLC.

As a broker-dealer, SBS engages in a broad range of activities normally associated with securities brokerage firms. Pursuant to the investment advice given by Mr. Eichenwald, investments in securities will be recommended for you. If SBS is selected as the broker-dealer, it will affect transactions in securities for you, a client of Triumph Capital Management and Mr. Eichenwald. By serving as the broker dealer, SBS and Mr. Eichenwald will receive commissions for executing securities transactions.

You are advised that if SBS is selected as the broker-dealer, the transaction charges may be higher or lower than the charges you may pay if the transactions were executed at other broker-dealers. You should note, however, that you have the right to not purchase securities through Mr. Eichenwald, Triumph Capital Management or SBS.

Mr. Eichenwald holds an insurance license to sell insurance and does so through his registration with Summit Brokerage Services, Inc., as well as holding appointments directly with various insurance companies. Mr. Eichenwald spends less than 10% of his time providing insurance products. Commissions may be earned by Mr. Eichenwald if insurance products are purchased through insurance companies. This may or may not create a conflict of interest.

Mr. Eichenwald will provide advice regarding investment company securities. You should be aware that, in addition to the advisory fees paid by you, each investment company also charges its own separate investment advisory fees and other expenses (internal management fees). In addition, you should be aware that mutual funds may be purchased separately independent of the investment management services of Triumph Capital Management.

Mr. Eichenwald, in his capacity as registered representatives of SBS, or agents appointed with various life, disability, or other insurance companies, receives commissions, 12(b)-1 fees, trails, or other compensation from the respective product sponsors and/or as a result of effecting securities transactions for you. However, you should note that you have the right to not purchase any investment products through Mr. Eichenwald. On advisory accounts through Triumph Capital Management, Mr. Eichenwald will not receive any other compensation.

If you engage your IAR to provide advice relative to your alternative Investments, you will pay a fee for this service. This advisory fee is separate and in addition to the internal costs inherent to your alternative investment, and will be calculated as a percentage of your alternative investment account value, as reported by the custodian where your alternative investment is held. When this service is provided to you directly by your IAR, the advisory fee is not to exceed 3% per year. The advisory fee you will be charged will be clearly outlined in the advisory agreement you sign with your IAR.

Due to commission payments associated with certain alternative investments, they present a conflict of interest because they create an incentive to make recommendations based on the compensation that we

receive rather than based on your needs. We will explain the specific costs associated with any recommended investments with you upon request. Alternative investments may have different shares classes available for purchase including no load options. Please review the prospectus closely and discuss with your IAR. In such cases where a commission was paid on an alternative investment, Triumph Capital Management will not allow its IAR's to charge a fee for this service for a period of three years following when the IAR sold the alternative investment to you. If your IAR did not sell the alternative investment to you, this three-year waiting period may or may not apply.

Mr. Eichenwald is also an IAR of Summit Financial Group, and can offer a variety of advisory programs and services through Summit Financial Group in addition to the advisory services he can offer through Triumph Capital Management. Summit Financial Group is an affiliated RIA of Summit Brokerage Services, Inc.
