## CHASE ROGERS

We are pleased to announce our Moments of Integrity recipient for November/December 2015 is Chase Rogers. Congratulations Chase!

Chase attends Rogers High School as a senior. He is currently looking ahead for a College to play golf for. Chase only started playing golf four years ago as a freshman, which makes him a quick learn to say the least. Chase loves the sport and spends as much time on the course as possible. Chase was a very active young man this summer as he played in close to 20 tournaments. Chase also plays on the Rogers High School team.

Chase is involved in other activities besides golf; some of those include Deca, which is a business club, ping-pong club, Senior Mounty Attack Team and Smart Club. Chase is on top of his academics and being a part of the National Honors

Society proves that. Chase is an extremely dedicated student with high standards both academically and personally. His character is a model for other students and his truthfulness and honesty shows on the course and classroom.

Randy Rogers, Chase's dad, stated, "Chase is a very driven young man and he has a tremendous work ethic to be the best he can be. When it comes to golf, it would be a challenge to find a kid that puts in more work and practice than Chase does. I admire the work Chase puts in, but I am really proud of the way he works with his younger teammates in order to help them improve their game as well. Chase demonstrates this work ethic and passion for success in everything he does - school, golf, ping pong, or managing his fantasy football teams."

Paul Eiserman, PCC Golf Pro, stated, "Chase is an outstanding young man with character. He has been apart of our Junior Program from the beginning."

It was an honor in getting to know you. Please join us in celebrating Chase Rogers as our newest Moments of Integrity recipient!
