

GOLDEN POND COMMITS TO MAJOR SPONSORSHIP OF THOMAS COLLEGE LUNDER SCHOLARS GOLF INVITATIONAL

“I am delighted to announce that we have committed to being a major sponsor of the Thomas College Lunder Scholars Golf Invitational for the next 4 years.

The proceeds of this tournament help meet one of the greatest challenges facing Maine’s high school graduates; an affordable college education. Thomas College is confident enough in its curriculum that it is one of the only colleges in the country that guarantees a job to its graduates. I can think of no better investment we could make in the future of our young people.”

- Brian Bernatchez, Managing Director, Golden Pond Wealth Management.

“The annual Lunder Scholars Golf Invitational is one of Thomas College’s single biggest fundraising events each year, with all proceeds added to the Lunder Endowed Scholarship Fund. Thanks to Thomas alumni Brian Bernatchez ’88 and Bert Languet, M.B.A.’94, Golden Pond’s major sponsorship of the tournament not only helps make a college education more affordable, but for many, even possible. Since 2002, nearly 250 scholarships totaling \$450,000 have been awarded to Maine students attending Thomas. We and our students are indebted to Golden Pond for their generous support.”

- Bob Moore, VP of Advancement & Admissions of Thomas College
