Reopening Guidelines: July 2020

July 6, 2020

M Squared Advisory Group and Mersberger Financial Group have been committed to helping our clients stay informed and safe during these times.

We are excited to announce we have started implementing our July 2020 Reopening Guidelines!

July 2020: Reopening for our Team Members

- **Team Members:** Starting July 1st our Sheboygan Falls office location has fully reopened for our team members with social distancing and additional sanitation precautions in place if they choose to work in the office. We do have many of our team members still continuing to effectively work from home during this time.
- **Meetings:** All client meetings will continue to be conducted virtually to maintain social distancing for the safety of our team and clients.
- **Office:** Our office building doors are open. We are limiting in-office interactions; however, our doors are open for any important drop-offs. Feel free to continue to call us, send us emails, or contact us via our website.
- **Sanitation:** We have always prided ourselves in our cleanliness and sanitation standards. Our office is fully equipped and prepared for when we begin offering full in-person meetings and interactions. We continue to disinfect surfaces and conference rooms, offer hand sanitizer and have now added gloves and masks for team members closely interacting with each other and/or clients and temperature checks for every individual entering our building. Last, we are keeping a log of all individuals who have entered our office daily so we have a means of contact tracing/quarantining if need be.

Our team is positioned to continue to operate at full efficiency while working from home or in the office. We will continue our communications to our valued clients to keep everyone informed during this time. As always, we appreciate your trust and confidence in our services.

Thank you!

Mersberger Financial Group, Inc. and M Squared Advisory Group, Inc.
