## Your Checklist for Injury on the Job

(303) 261-8015 | [www.denverwealthmanagement.com](http://www.denverwealthmanagement.com)

### When an Injury Happens at Work ✓

.....

*If you are injured on the job, follow these steps to ensure a quick and diligent recovery.*

- Report the injury to your employer **in writing** within four days.
- Ask your employer for workers compensation coverage.
- Keep track of all of your medical bills.
- Speak with an attorney if you feel your employer is not giving you what you deserve.
