PRIVACY NOTICE

Hopwood Financial Services, Inc. (referred to as "HFS") maintains physical, electronic, and procedural safeguards that comply with federal standards to protect its clients' nonpublic personal information ("information"). Through this policy and its underlying procedures, HFS attempts to secure the confidentiality of customer records and information and protect against anticipated threats or hazards to the security or integrity of customer records and information.

It is the policy of HFS to restrict access to all current and former clients' information (i.e., information and records pertaining to personal background, investment objectives, financial situation, tax information/returns, investment holdings, account numbers, account balances, etc.) to those employees and affiliated/nonaffiliated entities who need to know that information in order to provide products or services in furtherance of the client's engagement of HFS. In that regard, HFS may disclose the client's information: (1) to individuals and/or entities not affiliated with HFS, including, but not limited to the client's other professional advisors and/or certain service providers that may be recommended or engaged by HFS in furtherance of the client's engagement of HFS (i.e., attorney, accountant, insurance agent, broker-dealer, investment adviser, account custodian, record keeper, proxy management service provider, etc.); (2) required to do so by judicial or regulatory process; or (3) otherwise permitted to do so in accordance with the parameters of applicable federal and/or state privacy regulations. The disclosure of information contained in any document completed by the client for processing and/or transmittal by HFS to facilitate the commencement/continuation/termination of a business relationship between the client and/or between HFS and a nonaffiliated third party service provider (i.e., broker-dealer, investment adviser, account custodian, record keeper, insurance company, etc.), including, but not limited to, information contained in any document completed and/or executed by the client in furtherance of the client's engagement of HFS (i.e., advisory agreement, client information form, etc.), shall be deemed as having been automatically authorized by the client with respect to the corresponding nonaffiliated third party service provider.

HFS permits only authorized employees and affiliates who have signed a copy of HFS's Privacy Policy to have access to client information. Employees violating HFS's Privacy Policy will be subject to HFS's disciplinary process. Additionally, whenever HFS hires other organizations to provide services to HFS's clients, HFS will require them to sign confidentiality agreements and/or the Privacy Policy.
